NEW YORK

NEW YORK (AP)—The stock market put on a steady performance Thursday, resisting a further decline as trading slackened.

The day's trading, after the sharpest loss of the year, showed no disposition to follow through in selling. Gains by an assortment of blue chips, in fact, increase the popular market averages, even though a few more issues in the over-all list declined than advanced.

Late profit taking trimmed earlier gains and the final tone was mixed.

The Dow Jones industrial average rose .84 to 783.44.

Among Canadian issues traded Distillers-Seagrams gained ¼, and Aluminium Ltd., Canadian Pacific and Dome Mines ⅛. Hudson Bay Mining, International Nickel and Walker Gooderham fell ¼.

Prices on the American Exchange moved generally lower. Canadian stocks were quiet with Canadian Marconi losing ⅛ and Jupiter Corp. ¼. Scurry Rainbow Oil gained ⅛.

Total sales: Industrials 169,800, mines and oils 877,100.

TORONTO

TORONTO (CP)—The stock market had an erratic day, down, up then down again as volume slipped without the backing of usual speculative activity.

At the close, industrials dipped .26 to 141.3%. The exchange index .20 to 132.15 and base western oils .54 to 82.94. Base metals gained .34 to 61.44 and golds .82 to 134.22.

Volume for the day was 4,290,000 shares compared with 4,890,000 Wednesday.

Banks were again the heavy losers on the industrial board despite strengthening early in the afternoon. Imperial Bank of Commerce, Royal and Toronto-Dominion all fell ¼ and Montreal ¼.

Among selected issues, interprovincial Pipe Line was off ⅜, Moore Corporation and CIL ¾ each and Dominion Foundries and Steel ¼.

Canada Packers B advanced ⅛ and Algoma ¼.

Denison was ahead ¾ and International Nickel ¼ among senior metals. Lake Dufault rose 10 cents to $9.15 among juniors.

Gulf Lead was the most active speculative issue, ahead one cent to 13½ cents on more than 340,000 shares. Nisto rose two cents.
