## P. E. I. Rink Continues To Make Excellent Showing At 'Spiel

By Bernard Dufresne  
 QUEBEC, Feb. 21 - (CP) - Manitoba won a thrilling 9-7 battle from Prince Edward Island today to maintain its victory pace of five straight wins against no losses in the Canadian school curling championships.

A win for Prince Edward Island, pressing closely on the heels of the Arborg, Man., rink, would have meant a first place tie in the standings with Manitoba.

In their fifth round games today, Alberta defeated Quebec 10-2 to take over sole possession of second place with four wins and one loss. New Brunswick handed Nova Scotia its fifth straight loss 13-7; British Columbia defeated Northern Ontario 10-5 and Saskatchewan whipped Ontario 12-5.

The Charlottetown foursome, led by Doug Cameron of Prince of Wales College, almost won the game in the ninth end.

With the score 8-6 for Manitoba in this end, Prince Edward Island could have counted four stones if it could knock out a western rock sitting in the centre of the house.

**Fall By Whisker**

Skip Cameron tried but failed by a whisker. The Charlottetown skip tried for strong scoring last end but Arborg, skipped by Mike Zacharczuk, kept the house clear of Prince Edward Island stones with well ordered knockout strategy.

No games were scheduled tonight as the curlers were the guests of the Quebec Provincial Government at a supper and toured the parliament buildings.

Play will resume tomorrow with three rounds scheduled and the final round will be played Thursday morning.

Erick Gaskin's Moncton High School rink, New Brunswick champions, scored one end of four stones and two of three stones to take a strong lead and defeat the winless Truro, N.S., foursome skipped by Bill McCarthy.

Other games played today, Alberta scores were popular, as Alberta whipped Nova Scotia 14-4;

British Columbia swamped Ontario 14-3 and Manitoba bowled over New Brunswick 13-8.

## Ice Racing Meet Opens; Championship Trot Scheduled For Today

Despite the cold, below zero weather, twenty-five horses turned out to compete in four classes yesterday afternoon in the opening day's racing of the three-day Interprovincial Harness Ice meet sponsored by the Victoria Driving Club over the North River Speedway.

Competing over an almost perfect track, all four events in trot and pace divisions came up with some keen, close racing that gave the large number of racing fans present plenty of action.

Calumet Bee Long captured first place honors in the Class A Trot and Pace, but Dot Budlong came up with the best time of the day with a quarter in 31 seconds in winning the first heat of that event. She had the second place summary in the race.

In the Class B Pace, Miss Adele W. was the winning horse with a 2 1 1 summary and Rosalie Hooper running a close second with a first, a second and a third. Willard Kelly's Miss Playfair was the race winner of the Class C Pace, coming through with a first in the initial heat, second in the middle heat and first again in the final heat. Direct Volo was second with a 4 1 3 summary, while Lina Signal had seconds in the first and third heats but lost that position in the race by not starting in the second heat.

The closest racing of the program was witnessed in the Class D Trot, when three heat winners were declared, to force the race into a fourth and final heat. Lusty's Queen took first in the opening heat, Orville B. was the winner of the second, and Peter Dale came through in the third. Orville B. was the race winner, however, with a first in the final heat, and came down well in front.

The mobile starting gate was used in the opening heat of the day, but its further use had to be abandoned when it was found that it couldn't get away fast enough on the ice to keep ahead of the starting horses.

It is hoped that the gate will be used for today's racing, however, when precautions will be taken to use sand, sawdust or ashes to give the vehicle better traction.

The following are the results of yesterday's racing:

**Class A Trot and Pace**

Calumet Bee Long (Daniels) 4 1 1

## Juvenile Teams Clash At Forum Tonight

There should be plenty of action at the Forum tonight when the Charlottetown Victoria and Kensington Juveniles cross sticks there at 7:30 in a scheduled Island Juvenile Hockey League fixture.

Although the game can do little to help the Vics along, as far as playoff hopes are concerned, with five losses to date, and this their last game in regular schedule play, they will nevertheless be coming out strong to garner at least one victory in league competition and are expected to put up a determined resistance against the aggressive band of Kensington Juveniles, who have been the only team to date to send the league-leading Abbies down to defeat.

For Kensington, however, it will be different. A victory can do a lot to further their present second place standing in the league, and if they can garner a win tonight, will be only two points away from a first place tie for the final league leadership at the end of scheduled play. It will also jack their winning streak to four games in five starts, and with one left to play, stand a good chance of garnering the leadership tie.

The game set a rugged, fighting atmosphere for the series. Two major penalties and three misconducts were called.

Whitlock, who led the league scoring race, assisted the other five Saint John goals, both by Nick Nicolle. Manny McIntyre and Rod McKenzie scored the Moncton goals and each was credited with an assist.

Vics and Saints will both be striving for a victory that will break up a tie for the league leadership while Abbies and Y.M.C.A. will have an opportunity of breaking up a third place tie and improve their present standings, although neither will be able to overtake second place Ramblers who will remain idle today.

## Miners Defeat Millionaires 6-3

SYDNEY, N.S., Feb. 21 - (CP) - Glace Bay Miners climbed to within one point of second-spot North Sydney Victoria with a 6-3 win over Sydney Millionaires in a Cape Breton Senior Hockey League game tonight.

The Bay boys grabbed a 4-0 lead in the opening frame and were never behind after that although Millionaires made a determined comeback in the second and scored three markers before the period ended.

## North Rustico 5, Hampshire 1

The North Rustico Legionaires scored a 5-1 victory over the Hampshire Bulldogs in a Merchants Hockey League game at North Rustico rink last night.

The game was the second in their playoff series for the league title and deadlocks the series at one game apiece.

## Saints Score Lopsided Victory Over Meteors In Intermediate League

A. J. McAdam's Saint Dunstan's University pucksters ran their final standing to 14 points and consolidated second place by scoring a lopsided 16-5 victory over the cellar dwelling Summerside R. C. A. F. Meteors in a free-scoring Island Intermediate Hockey League game at the Forum last night.

It was the final game of the schedule for Saints who are now in second place, two points behind league leading Abbies. Four points up on third-place Victorias, Abbies have one more game to play and Vics two.

The game didn't break any records in hockey playing, but set a record for the year in clean playing when both teams battled it out for three periods without a single penalty being handed out by referee Leith Jay.

Joe Mahar and Iternates Cliff Bernard and Reg Rodgers had a field day on the scoring. Mahar leading the parade with seven goals and two assists, while Bernard notched up three goals and four assists and Rodgers two goals and five assists. Defenceman George MacRae also notched up a brace of goals while DeLage and Farmer chalked up one each to account for the remainder of the Saints scoring.

Hoffman of the R. C. A. F. also did himself proud by garnering three of his teams five goals and collecting an assist as well. Hoffstrand and MacDonald were the other snipers for Meteors with one each.

The game was anything but exciting to watch, although the Saints came up with smooth passing plays to garner some smart goals, while the R.C.A.F. pulled a few smart plays around the opposing net in goal getting efforts.

The Saints took a commanding lead in the early part of the first period by chalking up five goals in the first eleven minutes and twenty-five seconds of play without a reply from the opposition. But the R. C. A. F. rallied in the closing parts of the frame to ram home four goals although the Saints also picked up three more in the process to take an 8-4 lead. Banging home three more in the middle session and holding their opponents scoreless, the Saints ran their count to 11-4 and launching out in a full scale spree again in the final canto, outscored the opposition five to one for a decided 16-5 victory.
