ODE TO SCOTLAND.

Am—"The Battle of Victoria." O BORNIE Scotland, thee I claim, To love ye aye shall be my aim...

Come, let them view the hills sae high, Thy mountains stretchin' to the sky, Thy crystal streams which never dry...

I've heard the ploughboy whistle shrill, I've seen the shepherd on the hill, Thy beauties would some volumes fill...

Thy hardy sons who love to toil, Thy maidens pure whose sunny smile Cheer happy homes in Scotland's isle...

The gallant tarsans wave afar, On scenes of peace, on fields of war, Scotland's pride, and Scotland's star...

THE WAR OF RACES, OR CHRISTIAN FILIBUSTERS.

TO THE EDITOR OF "PUBLIC OPINION."

SIR,—Must the dark races of men eventually disappear before the white? Is all our sympathy to be monopolized by the negro when nobler races are rapidly perishing?

The natives of Van Dieman's Land were hunted down and shot some time by their Christian white brethren, who are shocked with some anthropologists for saying that all races cannot come from one pair.

oping their own peculiar phases of civilization. All races were not intended to have one and the same form of civilization, and ours is certainly capable of considerable improvement.

HOLLOWAY'S PILLS.

THIS great household Medicine ranks among the leading necessities of life. It is well known to the world that it cures many complaints other remedies cannot reach, this fact is as well established as that the sun lights the world.

Disorders of the Liver and Stomach. Most persons will, at some period of their lives, suffer from indigestion, derangement of the liver, stomach or bowels, which if not quickly removed, frequently settle into a dangerous illness.

Weakness and Debility. Such as suffer from weakness, or debility, and those who feel want of energy, should at once have recourse to those Pills, as they immediately purify the blood, and acting upon the main-spring of life, give strength and vigor to the system.

Disorders of Children. These Pills used according to the printed direction and the Ointment rubbed over the region of the kidneys, at least once a day as salt is forced into meat, it will penetrate the kidneys and correct any derangement of their organs.

Disorders of the Stomach. Are the sources of the deadliest maladies. Their effect is to vitiate all the fluids of the body, and to send a poisoned stream through all the channels of circulation. Now what is the operation of the Pills? They cleanse the bowels, regulate the liver, bring the relaxed or irritated stomach into a natural condition, and acting through the secretory organs upon the blood itself, change the state of the system from sickness to health, by exercising a simultaneous and wholesome effect upon all its parts and functions.

Complaints of Females. The functional irregularities peculiar to the weaker sex are invariably corrected without pain or inconvenience by the use of Holloway's Pills. They are the safest and surest medicine for all diseases incidental to females of all ages.

Bilious Affections. All young children should have administered to them, from time to time, a few doses of these Pills, which will purify their blood, and enable them to pass safely through the different disorders incidental to childhood, such as measles, whooping-cough, cowpox, and other infantile diseases. These Pills are so harmless in their nature as not to injure the most delicate constitution, and are therefore more peculiarly adapted as corrective of the humors affecting them.

Dropsey. Hundreds are cured yearly by the use of these Pills conjointly with the Ointment, which should be rubbed very beautifully into the parts affected.

Derangement of the Kidneys. The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes the fluid so necessary for digestion, the Pills operate especially, infallibly rectifying its irregularities and effectually curing jaundice, bilious remittants, and all the varieties of disease generated by an unnatural condition of that organ.

Holloway's Pills are the best remedy known for the following diseases:—

Ague, Biliousness, Dropsy, Dysentery, Erysipelas, Female Irregularities, Gout, Indigestion, Jaundice, Liver Complaints, Lumbago, Pleurisy, Rheumatism, Retention of Urine, Scrofula or King's Evil, Sore Throats, Stone and Gravel, Secondary symptoms, Tic-Douloureux, Tumors, Ulcers, Venereal Affections, Worms of all kinds, Weakness, from whatever cause, &c., &c.

Sold at the Establishment of PROFESSOR HOLLOWAY, 214 Strand, (near Temple Bar,) London, and by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices: 1s. 1d., 2s. 9d., 4s. 6d., 11s., and 38s. each Box.
