

THE PINK PANTHER STRIKES AGAIN !!

Moncton vs. Panthers

This year we'll be having opening ceremonies to get our Winter Carnival underway. It will be held at the Charlottetown Forum with our own 1976 Panther Queen Peggy Shelfoon dropping the puck to start the game between UPEI and U. of Moncton.

We also hope to have our Winter Carnival Contestants on hand.

I wish our Panther's Good Luck and hope everyone takes in the Carnival Events.

Have a good time during Winter Carnival '77.

where's the bromo

Loto fun

LOTTERY TICKETS

Lottery tickets are on sale until Tuesday nite of Carnival Week, so get in on the prize of 30 beer tickets and a free pass to all events for 1st prize, 20 beer tickets and passes good for Friday and Thursday nights for 2nd prize, and 10 beer tickets and a pass for the ball on Saturday for 3rd prize.

If a winner has purchased tickets already for any events he, or she will be reimbursed. All money and tickets must be in by Tuesday nite!

HELP!

Anyone who has any old clothing or make-up they'd like to donate to the Winter Carnival Committee it would be greatly appreciated. "Large sizes" in clothing preferably. Any accessories, like hats, bras, etc would also be very welcome. Please pass in any donations to Mike McMahon, 314 Marion Hall, or the Student Union Office.

SCAVENGER HUNT

The Scavenger Hunt will be held Friday Feb 10th from 10 a.m until 4p.m. It will feature forty items, twenty of which will be difficult articles to find, and the remaining twenty things are items the contestants must get by contacting various people on campus.

There can be only two to a team and lists can be picked up at Student Union Office at 10a.m. A good time is assured for any contestants. (and isn't Winter Carnival supposed to be a lot of laughs.)

DEATH RACE 77

The U.P.E.I. Winter Carnival Committee has once again decided that the annual UPEI Car Rally will be held in conjunction with this year's activities. For those who didn't have any plans for February 12 (and don't make any because you may not make it back), this event will give you a chance to demonstrate all the skills and nerve of car driving. Last year's "winner", Paul Currie, decided to take the scenic route and came in 3 days late. Of course the P.E.I.L.C.C. may

have had something to do with it, but in any case, it was a good time for all. A keen interest by various entries has already been demonstrated and it looks like this will be a large field. The race begins Feb. 12th at 10:00 and will go rain or shine. Once again, let's get those "hot" cars tuned up and find yourself a navigator. Entry forms are posted around campus and are to be returned to J.P. MacIntyre by Feb. 10th
