To find out game times, scores or schedules for intramurals or Varsity, call the information line. This line is in service 24/hrs per day.

## User Groups

Initial user groups of the New Sport Centre will be:  
 UPEI students (Full time and Part time)  
 UPEI Faculty/staff and their spouse  
 Alumni

A schedule of fees is being developed for non-students. For more information, please contact the main office, and/or watch for notices posted in and around the campus.

## Lockers

Locker space will be available in the new sport centre, on a day basis only. Users may bring their own lock, or borrow a lock from the Centre, with the understanding it will not be left on a locker overnight. Any locks found on lockers after closing will be cut off. This will allow all users access to a locker. A deposit will be charged for locks signed out from the sport centre.

## How to Get In!

When our systems all arrive and are in place, all users of the new Sport Centre will have a picture I.D. card with a "Bar Code". This card will have to be presented any time you enter the Facility! The card acts as a security system and a base for data collection. Please note now that a No Card, No Access policy will be in effect. Information regarding how you may obtain your I.D. and bar code will be passed along as the information comes available.
