SUMMERSIDE NEWS

Branch Office—Central Street.

A new court of the Independent Order of Foresters will be organized at Kensington this evening.

MR E TURNBULL shiped 5 horses to Digby, N. S., by the Northumberland, yesterday morning.

THE barque Charles E. Lefurgey, owned by Lefurgey Bros, of this town, arrived safe at Queenstown, after a run of thirteen days from Canso.

MR. WILLIAM MUTTART and family were passengers by the Northumberland, yesterday morning, en route to Boston, where they intend to reside in the future.

WE regret to hear of the death of Mrs. E. Ramsay, wife of E. Ramsay, of the Ramsay House, of this town, who died Saturday evening. The funeral takes place to-day at half past two.

WE regret to chronicle the death of Miss Mable Irving, who passed away at the early age of seventeen, at the residence of Mr. F. McEwen, of Summerside. The funeral took place, yesterday.

AGAIN, the party or parties who are suffering from the window breaking mania, are getting in their fine work, as on Sunday evening one of the pan s in the large window on the front side of the post office was broken. It is a pity that the perpetrators of these acts could not be caught and given the just reward of their labor.

HOTEL ARRIVALS.—Campbell House—Jos P Gaudet, Geo Shaw Miscouche; A E Farrow, Bedeque; C W Webb, J Jenner, Portland.

Clifton House—T W Atwood, S W Dodd, Ch'town; C H Pierce, Alex Leslie, Montreal.

Hotel Russ—H E Palmer, St John; Alex Watt, Montreal; Rob Angus, F Kelly, Ch'town; J E Armour Chicago.

Rev Mr Dobson preached two very able sermons in the Methodist church on Sunday last from the text: "But if we walk in the light we have fellowship one with another and the blood of Jesus Christ," etc. It would be utterly useless to try to convey in such a short space at our disposal the able and eloquent discourse he gave. We understand that Mr Dobson is leaving the N B and P E I conference and going to Bermuda.

SUMMERSIDE is a progressive town in many ways. New business houses are starting up, new dwelling houses, new churches and many other improvements. Almost everything seems to be expanding its borders, the social philanthropic societies are increasing in numbers, the W. C. T. U. and other kindred temperance institutions are continually on the advance. All these organizations are supported well financially and kept moving along according to their several needs. Taking these things into consideration we would ask how it is that a reading room cannot be supported and kept continually open for the benefit of our young men. It seems to us that a good reading room is a necessity if we wish to keep abreast with the times. At present there are a good many newspapers, periodicals and magazines on file at the Y. M. C. A. rooms, but they are lying as so much waste papers on account of the poverty of that institution in not being able to pay a suitable man to take charge and keep the rooms open. This state of things should not be. For the want of a little money all this reading matter is useless. Surely some one will make a move in this matter. All other towns of note have their reading rooms, and why not Summerside? If the people interested, or ought to be interested in this matter take hold, we have no doubt but that the room would soon be an accomplished fact.

What Stronger Proof

Is needed of the merit of Hood's Sarsaparilla than the hundreds of letters continually coming in telling of marvelous cures it has effected after all other remedi s had failed? Truly, Hood's Sarsaparilla p sesses peculiar curative power unknown to other medicines.

HOOD'S PILLS cure Constipation by restoring the peristaltic action of the alimentary canal. They are the best family cathartic.

T stes differ. Some people can see beauty even in a looking-glass; others can not.—Boston Transcript.

THE merit of Hood's Sarsaparilla is not accidental but is the result of careful study and experiment by educated pharmacists.

Laplanders often skate a distance of 150 miles a day.

LET'S reason together. Here's a firm, one of the largest the country over, the world over; it has grown, step by step, through the years to greatness—and it sells patent medicines! ugh! "That s enough!"

Wait a little—This firm pays the newspapers good money (expensive work this advertising!) to tell the people that they have faith in what they sell, *so much faith* that if they cant benefit or cure they don't want your money. Their *guarantee* is not indefinite and relative, but *definite* and *absolute*—if the medicine doesn't help, your money is "*on call*."

Suppose every sick man and every feeble woman tried these medicines and found them worthless, who would be the loser you or they? The medicines are Dr Pierce's "Golden Medical Discovery," for blood diseases, and his "Favorite Prescription," for woman's peculiar ills. If they help toward health, they cost $1.00 a bottle each! If they don't, *they cost nothing!*

A HAPPY HINT.—We don't believe in keeping a good thing when we hear of it, and for this reason we take special pleasure in referring sufferers with Piles in any form, bleeding, protruding, etc., to Bettons's Pile Salve, the use of which will prevent a vast deal of suffering and inconvenience.

Five million sterling was last year given or bequeathed to various charities all the world over.
