WASHING

Made easy and pleasant by the use of

Boston Chemical Washing Powder.

THIS Soap Powder, prepared by a practical Chemists is superior for washing clothes, cleaning paint work, removing grease from woollens and takes the place of other soap for cleansing purposes. One package with five minutes labor makes two gallons of pure soft soap. Thousands of families have adopted its use and give it the preference over all other saponaceous compounds.

PERRY'S HUNGARIAN BALM.

For Restoring, Preserving & Beautifying THE HAIR

THIS elegant preparation is an effectual remedy for Baldness or Falling off of the hair. It prevents and completely eradicates Scruff and Dandruff, strengthens the Roots of the hair causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance, and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of scruff, dandruff, and other impurities, which so frequently cause premature decay, and loss of the hair.

The Hungarian Balm is especially adapted to ladies use and those who have tried the various oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it once and you will be convinced of its superiority over all other compounds for the hair. Much more might be said in favor of this inestimable compound, but it is deemed unnecessary, as the proprietor feels confident that ONE TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore,

If you have lost your hair and wish to restore it.
If you are losing your hair and wish to preserve it.
If you are troubled with Dandruff and wish to remove it,
If you have any humour of the Scalp and wish to cure it.
If you are troubled with Nervious Headache and wish to cure it.
If you have hair eaters at the roots of the hair and wish to destroy them.
If you have harsh, dry and wiry hair, and wish it to become soft, pliable and beautiful as Silk; and if you wish to preserve rich, graceful and luxuriant tresses to the latest period of life use PERRYS HUNGARIAN BALM.

Price 25 and 50 cents, in large bottles.

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

A Cure for Consumption, Scrofula, Coughs, Colds, Asthma, Bronchitis, Spitting of Blood, and all complaints of the Lungs.

PURE Cod Liver Oil has long been acknowledged to be the most efficacious article for the cure of Consumption and kindred diseases yet discovered, while the chemical properties of the PHOSPHATE OF LIME are also well known in medicine as being peculiarly healing. In cases where ulceration has taken place on the lungs, this article has been found by the most careful tests to supply the very ingredients necessary for the formation of cells, and the complete healing of this delicate part of the human system.

This preparation of the pure Cod Liver Oil and Lime robs the oil of its very nauseating taste, which renders it so repulsive, particularly to invalids. The thorough incorporation of the Phosphate of Lime with the Oil has been only accomplished by the adoption of the most perfect rules of chemistry, and a medicine has thereby been produced which is of inestimable value in a climate like ours.

A long array of certificates might be given here to prove the efficacious character of this medicine, but it is not deemed necessary. The fact that from the very first introduction of the Cod Liver Oil and Lime before the public, it has been gradually adopted by the medical faculty, is sufficient proof of its unquestioned excellence.
