ALLISON MACLEOD
AUTO DEALERS
126 Cumberland St. Charlottetown Phone 4-7344

start with

the lowest priced Canadian-built car

drive miles and years at the lowest cost

The Rambler American Six is the lowest priced Canadian-built car, with features you won't find even on higher priced cars. That's where its real value lies. Because these features keep your operating costs down to an absolute minimum.

There's Deep-Dip roofprooing for example. This process makes the Rambler American the world's most completely roofprotected car. Then there are the three guarantees. The Ceramic-Armoured muffler and tail-pipe are guaranteed for as long as you own the car. And the battery and coolant are unconditionally guaranteed for two years or 24,000 miles.

Another major feature is simply the way the car is built. With Rambler pioneered Single-Unit construction, the car is stronger, lasts longer. There's our policy, too, of designing every component in a way that will give you maximum usefulness to the user. That's the main reason why the 1963 Rambler was chosen winner of the coveted Motor Trend Magazine "Car of the Year" award.

So when we stress our low price, we're giving you full value for your dollars. Roll on the miles and years with a Rambler American Six. When you start to run out of numbers on the odometer, you'll still have happy memories of the low price you paid. See your Dealer today and run up a few test miles on a Rambler American Six.
