Unfailing Eye Preservers

LAZARUS, MORRIS & Co's, CELEBRATED Perfected Spectacles AND EYE GLASSES. The Large and increasing sale of these PERFECTED GLASSES is a sure proof of their superiority. We were satisfied that they would be appreciated here as elsewhere, and that the reality of the advantages offered to wearers of our beautiful lenses, viz: the ease and comfort, the assured and readily ascertained improvement of the sight, and the brilliant assistance they give in all cases, were in themselves so apparent on trial, that the result could not be otherwise than that, in the almost general adoption of our Celebrated Perfected Spectacles by the residents of this locality. With a full knowledge of the value of the assertion, we claim that they are the most correct optical aids ever manufactured. To those needing Spectacles, we afford at all times an opportunity of procuring the best and most desirable. R. T. HOLMAN, Agent, Summerside.
