HEY FELLOWS... I'VE GOT A JOB

I HAVE MY OWN NEWS PAPER BUSINESS

Here's How I Got It — Dad was always telling me about when he was a boy and how he became a newspaper reporter. To make and save money. To sell and keep records. To work with people and fellow carriers.

I dropped in to see the Carrier Supervisor at the Guardian and found I had the same opportunity as Dad. Now I have a route near home and find the Carrier and a swell bunch of fellows, all anxious to succeed in their first business venture.

The Carrier's Supervisor has some new routes opening up and needs more boys. Come on in and see him. You can work and enjoy the fun of having your own business.
