

Regular Meeting B. I. S. Held Last Evening

The regular February meeting of the Benevolent Irish Society was held in the Society's new building, 175 Grafton Street, last evening...

Routine reports were heard from the many standing committees of the Society and considerable business transacted.

Many of the members present for the first time in the new building complimented the Executive and Building Committee on their completion of such a fine addition to the business life in Charlottetown.

During the meeting a letter from one of the Society's brothers away from home, Gerald P. Murtagh, of Ottawa, was read to the meeting.

A special presentation to Frederick Flynn, son of the Society's patron, Bro. Thomas Flynn, was made by the President, Bro. Flynn, Jr., who is going on active service with the Royal Canadian Navy in the near future...

Due to the accumulation of business, the meeting was adjourned by the President until Wednesday evening, February 18th.
