## Leafs Need 'New Blood'

Win or lose this year, the Toronto Maple Leafs will have to come up with some trades before the 1964-65 season rolls around on Oct. 1. Currently finding "intrafers" from their farm system is the only thing to be done. ...

## Letter To The Editor

A Charlottetown hockey fan, E. C. Bovras, dropped us a short letter yesterday in regard to an article which appeared in the Guardian, Feb. 13, titled "Kennedy Playing Best Hockey Ever".

Yesterday's letter noted the omission of the names of two persons from Prince Edward Island who played in the NHL.

The letter reads in part: "He (Des Borge) mentioned Island players who had performed in the NHL, and I believe he omitted ..."

"The late Charlie Clark's name was incorrectly given, and with the inference to Forbes Kenady's ability, Clark to my mind was a greater performer. He was a clever stick handler, skater and packed a terrific shot."

The hockey fan contended that Mr. Burke "didn't have all the facts" and "was wrong" but he believes the facts that the omissions were made should be cleared up.

It is in his story on Kennedy a Wes "Bucko" Trainor.

## Off The Cuff

## Sports Recalled

We read an editorial recently of a mountain if the fans know this, it is in effect, that the sports reporter should accentuate the good and thus to the negative effect. The fans want to know about the good and thus to the negative effect.

## Looking Good

Looks better than they did playing against the R.C.A.F. Eagles Monday night. True, the Eagles were missing two of their top performers, but considering that the R.C.A.F. had a considerable lead, it is not surprising that they were able to pull a miracle win.

## Curling Draws

We noticed a small difference in the way the British comers played the Silver "D". In the beginning they were trying to be defeated by the winners in play-off for the honor of being "runner-up" in the Silver "D".
