I was a total wreck from heart failure and my wife advised me to take your pills. After using two boxes I was restored to perfect health. I am now 62 years old and feel almost as well as I did at 20."

"DO IT NOW"

Is a business motto of this strenuous age that applies with tremendous force when it is a good act you should do.

"A child's kiss set on thy sighing lips shall make thee glad.

"A sick man helped by thee shall make thee strong.

"Thou shalt be served thyself in every sense of service which thou renderest."
