

Current Notes.

The cattle season in Colorado has been the most prosperous ever known. Pictou harbor is frozen solid. The "Mayflower" stopped running on Thursday. Colorado consumes about two hundred thousand pounds of blasting powder every month.

The Toronto Assize Court has awarded the Valentine family \$6,000 for loss of their parents by an accident on the Grand Trunk Railway.

It is said there is no precedent in Canada for hanging a minor for murder, but the question will no doubt be decided at the trial of Mann, the Little Rideau criminal, who is only seventeen.

ONS FOR THE N. P.—The Gates Organ and Piano Co. at Truro, employ twenty-five hands during the winter. Since last spring 140 organs and 24 pianos have been completed and orders yet remain unfilled.

The London Free Press points out that since Confederation thirty-five bills have been disallowed. Sir John has been in power since then about ten and a half years, and Mr. Mackenzie and Mr. Blake about four and a half. The latter disallowed eighteen out of the thirty-five, and Sir John only seventeen. Yet the Grits cry out against the principal of disallowance.

The Department of Militia has just received the first box of cartridges, which has been manufactured at the Government cartridge manufactory, Quebec. The Department has been supplied in the past from England, but some time ago Major Prevost went to England and after going through a regular course of instruction returned to Quebec and started the manufactory.

The Pacific Syndicate claim to have constructed 600 miles of railway, entitling them to 7,500,000 acres of land. The Government have not been able to survey the land fast enough. The company have obtained 4,000,000 acres along the main line and for the balance due to them have accepted all the odd numbered sections in the old province of Manitoba, west of the Red River and south of the main line.

Mann, the murderer of the Cooke family at Little Rideau, has been committed for trial. He continues to exhibit the utmost bravado. The murder has excited great terror in the locality. A little girl, a relative of the Cookes, died recently from inflammation of the brain, produced by fright. A neighbor rapped at her uncle's door to enquire the way to a distant point. He had an axe over his shoulder, and the little creature evidently had an impression that he intended to murder her, for she went into hysterics and died before remedial measures could be taken.

The Journal of Commerce takes Mr. Blake's measure very accurately, when referring to his recent utterances at Bowmanville on the subject of the right of Canada to negotiate her own commercial treaties, it says:—"We fear very much that Mr. Blake's object in harping on this treaty question is that he knows that it is impossible, so long as Canada is a dependency of Great Britain, for her to be permitted to negotiate directly with foreign powers, although she gets all possible assistance to do so in concurrence with Great Britain. It is thought, therefore, to be a good card for an Opposition leader to play."

The Great French Remedy, Dr. LeDuc's Periodical Pills.

For the cure of Leucorrhoea or White's Excessive or painful Menstruation, Green Sickness, Falling of the Womb, Catarrh of the Uterus or Vagina, Hysteria, Pain in the Back or Piles, or for the purpose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very enfeebled conditions, one pill three times a day. To effect cures in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected. STARR KIDNEY PAD CO., 31 King Street, West Toronto. All Druggists.
