Popular With Fans

BANGOR racing fans have taken Canadian drivers right to their hearts.

This is particularly true of drivers of Prince Edward Island owned horses that are faring so well at the state fair there.

Bill Boyles gave us a copy of the Bangor Daily News and in it we find a four-column spread under this heading: "P.E.I. Stables, Drivers making top showings at Bangor meet."

Says The Daily News: "Without his colors of blue and white, you'd pass him by as a kid stable worker. But George 'Sticks' Frizzell flashed a wide boyish grin as he remarked, "This is my first year of driving".

George is one of four Canadian drivers on hand for The Bangor State Fair race program. That is one of tour representing Prince Edward Island. 'Sticks' is one of three from the Island itself.

Frizzell has never raced officially on his own Charlottetown track. Now he is with Summerside's Mapeo Stables and has three horses at Bangor, Lady Lakeburn, Gallon Jug and Homestretch Lady. In 34 dashes including last Saturday's program, George had six firsts, five seconds and three thirds.

Friend Against Friend

FRIZZELL raced against another Charlottetownian last Saturday but this chap, John 'Buddy' Campbell, has much more experience than Frizzell. For 'Buddy' it is his tenth season and he is at Bangor with Bill Boyles's horses. The horses are Amos Frost, Stormy Song, Primo, Lola Hal and Hi Jay. The last word we had was that Buddy had won four, placed five times and finished third on three occasions.

Another Islander on hand was Earl Semple, Kensington. He is no stranger to the Bangor track. Earle has been going to Maine tracks since 1947. He has six horses of his own and two with co-owner B. F. Steele. Earle's horses are Jewel's Hiram, Blue Sky S., Little Thunder C. Teen Hop, Graitan Abbe and Martha Gallon. With Steele he has Billy Hayes and Cappy Gallon.

LAST season Earle was leading driver at the Bangor meet, although he raced only three of the four weeks. After the present meet ends in Bangor in early August, Earle may head for Vernon Downs. His 17-year-old son, Carl, has applied for his USTA driver's license.

Herm Renaud is campaigning with Prince Edward Island horses, although he himself is not an Islander. Herm has a stable for Kinkora's Stan Mayhew. He is 27 years old and this is his 12th year of driving. Right now he has 11 horses in his charge. He has 117 trins to his credit this season and his mark is 22-20-19. Highley's Way, he considers the best trotter he has on hand. Last week he won the feature event with Highley's Way in 2:09.

Herm hails from Buctouche, N.B.

Fine Hospitality

ALL these drivers have proved decidedly popular with Bangor fans. Bill Boyles tells us the treatment given the boys is excellent and that goes for owners as well. Bill is going back once more before his horses return to the Island.

Fans will welcome the return of the Boyles' stable in early August. Bill has a fine group of horses and they will indeed make harness racing much more interesting when they start here on Island tracks.

Snorts Front is delichted with the success enjoyed by the Islanders at Bangor and we hope the good fortune will continue right through until closing night, August 3.

That, we are sure, is the wish of all local racing fans.

Good Ball Games

CITY Baseball League and City Softball League contests continue to be keen affairs and right now it's hardly safe to make any predictions on the outcome of either loop.

All teams are very much in the picture and playoffs in both leagues promise to be the best in years. The boys are serving up a pretty fair brand of ball and more folks should show up for this first class entertainment.

Souris Fans Are Treated To Thrilling Ball Battle

By ED CLINTON
Souris Bureau of the Guardian

On Sunday afternoon past, we watched the closest King's County League game played in Souris this year. And the climax was the best part. Cardigan opened the scoring in the first innings, and added another run in the third. Both of these runs were unearned. Then in the fourth inning, Souris scored three unearned runs to take the lead. They added the first earned run of the game in the fifth inning, to lead the game by two runs.

The score remained that way until the top of the seventh inning when the boys from Cardigan pushed across two runs to tie the game and set the stage for the dramatic ninth inning. Cain started the inning off by grounding out, but LeClair was safe on a wide throw by the catcher after striking out. But, that's as far as he got. The next batter, Alf Gardner flew out to leftfielder Earl MacLean, and that's when Will Conohan strode to the plate.

Will was trying to put this game on ice with the long hit, and he nearly succeeded. He sent a long drive deep to left center field, that looked like it was for lots of extra bases, possibly an inside the park home run. But, with the crack of the bat, left fielder Earl MacLean was running, and somehow or other, he made the catch of the season by suddenly reaching out and spearing the ball as it was about to land, and end the rally.

Pitcher Colin Craig led off for Souris in the bottom of the ninth inning, and got nicked on the arm by a pitched ball. This brought Augustine "Gussie" Clinton to the plate. To set the stage for you, we remind you that this league is predominately grown men, and Gussie is a very small fifteen year old, with the result, that every outfield in the league pulls well in for him. Anyway, Cardigan followed this pattern, and Gussie smashes a line drive between the left and center fielders and before they could catch up with and locate the ball, Gussie was across with a home run and Souris had won their third game.

Both pitchers, Colin Craig of Souris and Lorne MacIntyre of Cardigan pitched good games. Colin scattered eight hits, and walked none while striking out sixteen. Lorne allowed five hits, walked four, hit two and also struck out sixteen.

TOP GAMES

There are some top games scheduled for this coming Sunday. Morell will be visiting Georgetown. These two teams have met twice already this year and have a win apiece. Morell won 11-7, and Eagles won 8-0. The second game of the afternoon sees the Bombers from Peakes at Souris. In their only meeting to date the Bombers won 18-0, but the Souris lads are vowing revenge. In the other game, Cardigan will be visiting Mt. Stewart. The latter team won both games played earlier, but, don't sell these Cardigan boys short.

During the Souris Fisherl es Exhibition and Regatta, the Souris Fire Dept. won the PEI Tug-O-War championship. By some oversight this did not appear in the coverage of events. The Fire Dept. defeated Red Point in two straight pulls in the finals to win the title. This corner extends congratulations to the new Island champions. Members of the winning squad are: Clarence MacDonald, Eugene Dugas, Bert Paquet, Merlin Chapman, James R. MacDonald, Waldron Dingwell, Roderick Chalsson, Kenneth Chalsson, Michael Dunphy, and Roy Coffin. Spares are James MacDonald and Peter Dunphy. The team is coached by Con. James A. Cox. Souris RCMP.

The schedule in the Souris Town Baseball League is half over and at the time we wrote this the Uptowners were leading the Centertowners by only one game. The Downtowners while at present not in the running, were improving every time out, and can be counted on to give the other two teams a battle.

What the league needs is a little more fan support. Come on, fans, and watch the kids in action. The brand of ball is well worth it.

It takes money to keep baseball leagues going. Bats, balls, equipment all cost money. So, whenever you come to gomes, when it comes collection time, dig down.

KINGFISHERS DEFEAT RCMP

Johnny's Kingfishers defeated the RCMP 18-8 in a Commercial League game last evening.

Bernard Fish MacKinnon was the winning pitcher. He allowed a total of two runs on four hits before giving away to Keith Dalziel in the fifth. Dalziel gave up six runs on four hits. Myron Weeks went the distance for the losers and was charged with all 18 runs. He gave up 11 hits.

Burman Johnson and Jimmy Poulton homered for the winners while Bishop and Maynard hit circuit clouts for the Mounties. Alfie Flannagan was 4-4 at the plate for the winners.

LET'S PLAY TAG

Pete Rose (14), of Cincinnati Reds is caught between third base and home in an attempted double steal against the Chicago Cubs in the first inning of yesterday's game. Rose is trapped between catcher Merrit Ranew and third baseman Ron Santo. Gordy Coleman attempted to steal second at the same time. The umpire is Ed Sudol.

Maloney Fires 1-Hitter As Reds Shutout Chicago

By THE CANADIAN PRESS

Cincinnati's Jim Maloney yielded a first inning single to Ellis Burton and then held Chicago Cubs hitless the rest of the way in leading the Reds to a 1-0 victory Tuesday. Maloney struck out 13.

Frank Robinson singled home the winning run in the eighth inning off Larry Jackson to break the scoreless deadlock and help Maloney to his 12th triumph in 18 decisions.

STARTS RALLY

The game's only run was started by Tommy Harper's leadoff single. He was forced by Vada Pinson. Gordy Coleman singled Pinson to third. Marty Keough ran for Coleman, and when Robinson singled Pinson scored.

Loser Larry Jackson, going down to his eighth loss among 19 decisions, then stranded both runners by retiring John Edwards and Gene Freese on infield rollers.

In winning his third straight from the Cubs this season, Maloney yielded his only hit in the first after fanning Lou Brook. Burton hit a ground single to right on a shot. Coleman and second baseman Pete Rose took a swipe at fielding but failed to come up with the ball.

CINCINNATI PITCHER Jim Maloney, right is a most happy fellow after hurling a one-hitter against the Chicago Cubs yesterday. With him in the dressing room is Frank Robinson who batted in the game's only run as Cincinnati won, 1-0.

Liston Indicates Might Not Fight Cassius Clay

By JACK HAND

LAS VEGAS, Nev. (AP)— Sonny Liston indicated Tuesday that he might not fight Cassius Clay in September as proposed, but left all plans dependent upon one basic premise—"if the price is right."

The 30-year-old champ was in good humor as he met newsmen at his hotel headquarters to discuss his future and his first round knockout of Floyd Patterson in 2 minutes and 10 seconds Monday night.

At the same time, Patterson was flying back to New York, determined to keep on fighting.

George Parnassus, Los Angeles promoter, offered a guarantee of $2,750,000 to the Liston promotional group for a Liston-Clay bout in the Los Angeles Coliseum in February.

Jack Nilon, Sonny's advisor, said the bout would be held in a state where Liston could be his own promoter. He said Liston is president of Intercontinental Promotions, Inc., of which Nilon's brothers, Jim and Bob, are officials, as well as Liston's lawyer, Sal Avena. Nilon said he holds no stock.

TALKS CONTINUE

Nilon said negotiations would continue with Clay and he hopes to announce a definite site and date within a week or 10 days.

It has been reported that Sept. 30 in Philadelphia Stadium is the target. Clay has been offered 20 per cent.

However, Liston did not appear too anxious to fight again in two months.

"I would say September is pretty fast," Liston replied to a question about his plans. "But if the price is right I'll fight today. It is possible there will be no fight in September. It's like Jack says, if he can show me a way to meet the tax problems, I'd like to fight three times a year."

He was asked about Clay's credentials as a legitimate challenger.

"I would say Clay has a lot to learn," Liston said. "I hope nobody teaches him before I get to him. You say he has speed. What speed? That's what they said about Patterson. I don't think Clay is half the fighter Patterson is. I'd sit him on my knee and nurse him. But if he signs to fight somebody else, I'll brush my hands of him."

DIDN'T HIT HARD

Liston said he had not hit Patterson "as hard as I hit some of my sparring partners."

Liston, a 4-to-1 favorite, was the "villain" with the crowd of 7,816 that paid a gross gate of $286,180 to see the "fight" at Convention Centre.

He had this comment about the boos:

"When I heard them, I said to hell with 'em, I'll fix 'em. Let them keep on booing, I'll know I'm on top."

MacQuaid Hurls Flyers To Win

The Flyers avenged a 6-4 defeat Monday at the hands of the Rovers by edging them 5-4 in baseball action last evening.

Carl McQuaid, went all the way for the winners to pick up the victory. He allowed a total of nine hits while walking one and striking out four.

Lloyd Doiron, went the distance on the mound for the losing Rovers and was touched for eight hits. He walked three while fanning one batter.

Freddie MacDonald was top gun for the winners coming up with three hits in five trips to the plate. Billy Sherry had two hits in five trips, also for the winners.

Gordie Whitlock, playing first base for the Rovers spearheaded their attack by blasting out three hits, including a long triple in five trips to the plate.

The Flyers jumped into an early 1-0 lead when Len Bagloe who had reached on an error scored on Forbie Kennedy's double in the first inning. They added another tally in the third frame on back to back singles by MacDonald and Sherry.

The Rovers got one run back in the fourth frame on Harry Callaghan's single and Lloyd Doiron's double, but the Flyers scored twice more in the next inning to take a 4-1 lead.

The Rovers weren't through yet though as they bounced back with a pair of tallies in the seventh and finally tied up the contest by pushing a run across in the top of the ninth.

The Flyers wasted no time in the last of the inning for MacDonald picked up his third hit and later scored the winning run on an error and a fielders choice play.

Parkdale Midgets Ball Practice

All midgets in Parkdale and vicinity wishing to play baseball are asked to report to the baseball field this evening (Wednesday) at 6.30. This includes ages 14-16, inclusive.

L.I. ACTION

Angels Defeat Lowly Braves

In little league activity yesterday the Angels blasted the Braves 10-4 behind the pitching of Winston Weatherbie. Murnaghan was tagged with the loss.

For the Angels, Weatherbie, Dunn and Sobey each had two hits, with one of Sobey's being a home run. For the stumping Braves, Dave MacInnis and Barry Doucette each collected two hits.

In the second little league encounter the Cards bested the Mets 5-3. Doug Mobbs picked up the victory with the relief aid of Andy MacKenna. Phil Claybourne and Dave Doiron each had two hits, with one of Doiron't hits being a circuit clout with one man aboard.

In the final little game of the day, the Yanks edged the Red Sox 4-3 in a very exciting contest. Ken Doiron's single in the second inning was decisive hit of the game and handed Bob McKenna the pitching victory. The losing hurler Urbie MacDonald led all hitters with two hits in three appearances. Dale MacKay blasted a home run for the losers. Carmichael with a doublue and Woolridge with a triple supplied the only extra base hits of the game for the losers.

In Bantam-Midget action, the White Sox edged the Giants 3-2. William Birt and Ron Carmichael shared the pitching duties, allowing only two hits. They also hit back to back singles to bring home the deciding runs in the opening frame. John Down's single proved decisive for the Giants pair of runs.

Golf Playoffs Begin Saturday

Belvedere Golf and Winter Club will be hosting Maritime juvenile and junior golfers this weekend.

The occasion will be N.B.-P.E.I. championship play in all three age brackets. They'll tee off Saturday in the first 18 and go through another 18 on Sunday. After these 36 holes, champions will be declared in both midget and juvenile. The 12 top juniors will play another 18 Sunday afternoon to crown a Maritime junior champion.

The junior competition will also determine the make-up of the N.B.-P.E.I. junior team which will travel to Victoria, B.C., in late August for the Canadian inter-provincial junior competition.

Bob Giggey, of the host club, is handling most of the details for the tourney. Bob said last night he has already received something like 60 entries for the weekend championships and he expects to have a strong field in the hunt for the title particularly in the junior division.

John Cullen, one of the top shotmakers last a week at Edmundston in the N.B.-P.E.I. amateur will be a strong contender, as will Billy Marshall of Fredericton and Gordon Leslie of Riverside.

The local delegation is the junior division will be led by Ron Giggey, who will be favored by virtue of his victory last week at Edmundston and 17-year-old Ronnie Boyles, who also scored well at Edmundston.

GoodRacingCard Going At S'side

Harness racing returns to the Summerside Raceway tonight with a stellar eight program lined up for the large crowd expected.

Something novel is being tried this evening. There are no double dash affairs but all horses will get an opportunity to go twice. The top four in dashes one and two get together in dash five. The last four in the same dashes make up race number six.

Dash seven will find the first four horses of dash three tangling with the first four horses of dash four. The final race of the night, dash eight, will find the lower half of dashes three and four, fighting it out for supremacy.

The classifier has come through with an exciting looking card and good mutuel pays appear most likely tonight.

The management is hoping for a successful night and those who attend are sure going to enjoy themselves.

First dash goes at 8 p.m.
