Priestley's Dress Fabrics
In the long run it is the quality of the material that will determine the success of a lady's costume. Every lady who has at all studied the matter knows this. Priestley's Black Dress Goods are the best that the market affords. That is the American ladies prefer Priestley's dress fabrics to French. Our Canadian ladies are now asking for them. They wear better than other goods; but their charm consists in a peculiar richness and softness of appearance, and a facility which enables them to drape in the costume with that suggestion of flow and rhythm which is the dream of all tasteful women to realize.

A DIPHTHERIA SCARE.
There is no doubt but that diphtheria at this season in its worst form is prevalent in many cities and small towns. At the same time, that fact is no reason for frightening people out of their wits, with every case of sore throat. Hundreds of persons are said to have had diphtheria who only had a severe sore throat. The form of sore which often passes for diphtheria is what old people call quincy. "Putrid sore throat," known long before diphtheria. An old hospital nurse in Boston, says: "It ain't the clear cold of winter that lays people up with colds, catarrh and sore throats, and lays the children low with diphtheria; it's the soft, pleasant, alternating with the wet, slushy days." This is very true, because then the air is laden with poisonous vapors. The first symptoms of true diphtheria there is fever, some stupor, and difficulty in breathing. Very sharp pains are often felt in the neck glands, just below the ear. The tongue is coated, the throat and tonsils inflamed, little white spots, which increase and turn to a dirty yellow or brown color. Very many reliable people claim to have cured severe cases of diphtheria with Johnson's Anodyne Lincture. Be that as it may, it is worth trying, because we know from experience it will cure a common sore throat in one night, and thousands of people claim that no remedy known will relieve colds, catarrh, bronchitis, croup, etc., as promptly. If it cures them, why not diphtheria? S. Johnson & Co., Boston, Mass., will send their new illustrated book, entitled "Treatment for Diseases," free to any person for the asking.

35 Cents vs. Kidney Trouble.
For 2 years I was doled, pilled, and plastered for weak-back, scalding urine and constipation, without benefit. One box of Chase's Kidney-Liver Pills relieved, 3 boxes cured. K. J. Smith, Toronto.

Relief in Six Hours.—Distressing Kidney and Bladder diseases relieved in six hours by the "Great South American Kidney Cure." This remedy is a great surprise and delight to account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. It relieves retention of water and pain in passing it almost immediately. If you want quick relief and cure this is your remedy.

For Sale at Dodd's Medical Hall.
A movement has been started to put a number of United States gunboats on the great lakes. It is apparently the work of the people who want to build the gunboats, but it is not any the less likely to be successful on that account. These are days when private interests accomplish, now and then, great public objects.

RHEUMATISM CURED IN A DAY.—South American Rheumatic Cure, for rheumatism and neuralgia, radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits.

EDMANSON, A. B. & Co.,
Gentlemen,—About three or four weeks ago I had an attack of Itching Piles. I tried two or three different remedies recommended by druggists as being the best cure, etc., etc., but got no relief. About this time I was beginning to despair of finding any relief. With some slight misgivings I bought a box of your pile cure, which I am pleased to say gave me almost instant relief, and permanent cure. I consider your Ointment a God-send.

It's All Nonsense
For people to say there is no cure for consumption. Sufferers from that dread disease and kindred ailments are being saved every day by Miller's Emulsion of Cod Liver Oil. Do not die without giving it a fair trial. If it will cure others it will cure you. The secret of its success lies in the fact that it creates new blood in the system, thus enabling sufferers from lung troubles to overcome the destructive forces at work to waste the tissues of the body. Miller's Emulsion is the great nerve strengthener and blood-maker, and cures coughs, colds, bronchitis, scrofula and all lung ailments. In big bottles 50c and \$1, at all drug stores.

The Cheapest is Pond's Extract.
Because our "Small" bottle, 50 cents, has more beneficial effect than one gallon of other preparations sold as being the "same as" or "equal to" Pond's Extract. For all pain and soreness."

The People of Alberta want to have their territory erected into a province. There are barely any people in Alberta as there are in some wards of Montreal. The request of the Albertans is decidedly premature.
If too rapid eating causes dyspepsia, and it in its turn produces nervous exhaustion, debility, weakness, anemia, etc., the first step in effecting a cure is to eat slowly. The second and most important is to take a course of Hawker's nerve and stomach tonic, which aids the process of digestion, invigorates the stomach, renews the vitality of the blood, relieves brain fatigue, and makes weak nerves strong.

SUIT CLUB!
When we started the now famous Suit Club we had no intention of violating any law of the land, but as it has been decided to the contrary by the Stipendiary Magistrate, we freely submit to that decision, and will discontinue operating our Suit Club. Customers can still continue paying \$1 per week, and have their Suits made when they require them at Club prices, namely, 20 per cent. discount, or they can have what money they paid in refunded. Advertising is what we were after, and we got it.
Look out for bargains in SPRING SUITS and OVERCOATS. We got the stock to cut prices and will do it.
