is weakening. You cannot afford to fall below your healthy weight. If you will take Scott's Emulsion of Cod-liver Oil with Hypophosphites of Lime and Soda when your friends first tell you you are getting thin, you will quickly restore your healthy weight and may thereby prevent serious illness.

Persons have been known to gain a pound a day by taking an ounce a day of Scott's Emulsion. This seems extraordinary; but it is absolutely true.

NOTICE TO ALL.

The Exhibition has passed off quietly, and we trust favorably to all concerned. Now is the proper time to prepare for the coming winter by fitting up all our buildings in a warm and comfortable manner. This is the great secret in raising good and healthy stock, and to this end we would invite you to visit Connolly's wharf. We will show you that our success in the Lumber Business is due to moderate prices and good stock. We therefore take this opportunity of thanking our customers and friends for their liberal patronage to the late firm of Barrett & Champion and with strict attention and square dealing would very respectfully solicit a continuance of the same.

The Reason . .

Good health cannot be enjoyed when the nerves are in a deranged condition is because other organs of the body do not receive their natural supply of nerve fluid. The nerve centre is situated near the base of the brain, and when nerve food is cut off the isolated part loses its functional power.

IN THE TREATY PORTS.

A Canadian Product Finds Favor in the Land of Confucius.

VANCOUVER (Special) Oct. 14.—A passenger by the last vessel from China stated the other day that among other Canadian products which are fast coming into favor in the Chinese treaty ports, is the Canadian specific remedy for kidney diseases of all kinds Known as Dodd's Kidney Pills. The medicine was first introduced by Canadians and the increase in its use both by Europeans and natives is attributed first to the accounts of its success in the Canadian and American newspapers, many of which are received in Shanghai and other ports, and later to its established efficacy in curing all kinds of kidney diseases, which are very prevalent in the country.

The South American republics have decided not to recognize the Cuban rebels as insurgents pending the actions of the United States and Great Britain.

DR. G. C. OSGOOD,

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
