AN English agricultural paper tells of a duck whose egg-laying record is as follows: In 1878 she laid 221; in 1879. 143; 1880, 145; in 1881, 155; in 1882. 84; in 1883, 30; total, 769.

THE votes polled in aid of Queen Square Fund were counted by tellers at noon to-day and resulted as follows:—Sir John, 180; Blake, 123. Two handsome additional prizes to be competed for by the lady canvassers have been given by D. O'M. Reddin, jr., and another. Particulars crowded out, will appear to-morrow.

THE military men of Halifax and St. John are moving in the matter of a grand review on the 24th of June next, the date upon which the Queen's Jubilee is to be celebrated. We have yet to learn that our militia men are making any preparations for a like display. This is not as it should be, and we trust that our energetic Brigade Major will take the matter in hand at once and push it to a successful termination.

OPENING OF THE NEW POST OFFICE.—The general delivery will close to-day at 5 p. m.; office open to box holders until 9 a. m., on Wednesday. Parties holding boxes will please leave the keys in old boxes. Post no letters, etc., at the old office after to-night (Tuesday.) New office will be open for delivery at 9 a. m., Wednesday, 16th inst., when new box keys may be obtained on payment of rent. Money order open at 10 a. m., in new office.—F. DE ST. C. BRECKEN, Postmaster.

MORE DECEPTION.—The *Patriot* of yesterday (Feb. 14) copied from one of its exchanges an account of a drowning accident dated "Pictou, Feb. 10," and instructed its newsboys to call out "All about the boy that was drowned." Under the impression that the *Patriot* really did get hold of a news item some persons purchased that paper only to find the item of "ancient history" referred to above. In this connection we beg to suggest to our contemporary the advisability of re publishing the story of the striking of the Ark on Mount Ararat, and of telling its newsboys to call out "All about the shipwreck."

IT should be generally known that the multitude of diseases of a scrofulous nature generally proceed from a torpid condition of the liver. The blood becomes impure because the liver does not act properly and work off the poison from the system, and the certain results are blotches, pimples, eruptions, swellings, tumors, Ulcers, and kindred affections, or settling upon the lungs and poisoning their delicate tissues, until ulceration, breaking down, and consumption is established. Dr. Pierce's "Golden Medical Discovery" will, by acting upon the liver and purifying the blood, cure all these diseases.

Death of Mother St. Luce.

NEWS reached the city yesterday of the sudden death at Montreal of the Very Reverend Mother St. Luce, Provincial of the Sisters of the Congregation de Notre Dame. Mother St. Luce, it will be remembered, met with a serious accident in landing here from one of the steamers in September last, as a consequence of which her health was very much shattered. Yielding to the advice of her physician, she left Charlottetown for Montreal in the fall, hoping to regain her health sufficiently to return to her post next spring. While visiting the Academies of the Congregation in Montreal she was suddenly taken ill of rheumatism of the heart, and died in a few hours. Her death, made so much sadder by its suddenness, will be keenly felt by the good sisters of the different convents on the Island and those of Nova Scotia over which her jurisdiction extended.

Mother St. Luce was a member of the General Council of the Congregation. As Superioress she had presided over some of the most important Missions in Canada and the United States. She was a religious of extraordinary talent and administrative ability. At the time of her death she was in her 77th year. To the Sisters here we tender our heartfelt sympathy.

Prince County Nominations.

MEETING AT MALPEQUE.

Liberal-Conservative Gains.

SUMMERSIDE, Feb. 15.

Edward Hackett and John Lefurgy were nominated here to-day by—

David Rogers, James Barealy, Peter Gavin, William McNeill Simpson, Hon John A McDonald, Hon Joseph Arseneaux, G W Bentley, Richard Hunt, Pierce Doyle, H A Stewart, Alex Thompson, Ameddee Gallant, George Compton and about 200 others.

James Yeo and S. F. Perry were also nominated (the latter under protest.)

SUMMERSIDE, Feb. 15.

A large meeting of electors was held at Malpeque last evening. Stirring addresses were delivered by Messrs. Hackett, Howlan, Perry, Yeo and J. H. Bell. Hon. Mr. Lefurgey was not well enough to attend the meeting, but was ably represented by Senator Howlan. Malpeque is a Grit stronghold, but many of the people are wavering about hanging on any longer to the obstructionists and to the party of "Organized Hypocrisy." A large gain for the Liberal-Conservative candidates will be shown on the 22nd inst.

Mr. J. W. Hughes, of County Line, also addressed the meeting. He claimed to be a Liberal, but thought it was in the interest of the Liberal Party to defeat Yeo and Perry, and so clear the way for better men at the next contest.

Messrs. Yeo and Perry are sure to be defeated.

BRIBERY AND CORRUPTION.

Prospects in New Brunswick.

The Irish Question.

ELECTED BY ACCLAMATION

Bright Prospects.

TORONTO, Feb. 15.

The *Standard* specially states that it has positive evidence that the Yankee fish monopolists have the assurance of the Grit leaders that the Canadian fishing grounds would be thrown open to them in case of Sir John's defeat, and the fishery cruisers withdrawn. Several fishing firms have sent one hundred and fifty thousand dollars into Canada, and rural constituencies which are pretty closely divided politically, are now being flooded with this money in the interests of "Reform" and "Purity."

The Gloucester fish monopolists appear to think that it is cheaper for them to buy up a few Grit politicians than to pay for Canadian fishing privileges.

ST. JOHN, N. B., Feb. 14.

Liberal Conservative prospects never looked brighter in New Brunswick, and we were never more sure of victory. We shall certainly carry twelve of the 16 seats.

Minister Foster will distance both Domville and McCready. Wood will have a walk over; even the Grits concede Mike Adams election over Mitchell by a majority of two hundred, also a majority for Weldon in Albert. Temple, Moffatt, Landry, Costigan, Burns and three St. John candidates are also sure of election. The Grits will be struck with a cyclone and snowed under on election day.

Rielite missionaries in New Brunswick are producing a terrible reaction against Gritism.

MONTREAL, Feb. 15.

Edward Murphy, a well known Irishman, has written a letter to the Dublin *Nationalist*, pointing out what Sir John has done for the Irish Catholics as compared with Grit promises. He points with pardonable pride to Costigan, Curran, Daly, McGreevy, Thompson, Burns, Hackett, Coughlan and Bergen in the last Parliament, all of whom were elected by the Conservatives, while not a solitary Irish Catholic was elected by Grits. Three of the six Catholic members of the Cabinet are Irishmen, and six Irish Catholics have been nominated in the Maritime Provinces by the Tories against two by the Grits.

The eve of nomination finds the campaign red hot all over the Provinces, with the supporters of law and order, union and progress confident of victory.

Even whole-souled Grits admit that the Government will be sustained, and many of the Conservatives look forward to increased majorities.

No Grit candidates have yet appeared in eight constituencies, and unless dummy candidates are put up for appearance sake the following Government candidates will be elected by acclamation :—

Sir John A. Macdonald, Carleton.
Speaker Kirkpatrick, Frontenac.
Hon. McKenzie Bowell, North Hastings.
Tyrwhitt, South Simcoe.
Hall, Sherbrooke, Que.
Dupont, Bagot, Que.
Wright, Ottawa County.
Coursol, Montreal East.

The Canadian Industrial Association, representing almost every industry in the Dominion, has unanimously resolved to vigorously support the "clear, definite and emphatic policy of the Government," because they cannot place any confidence in the uncertain, vague and deceptive tariff policy of Mr. Blake.

TORONTO, Feb. 15.

There will be as great a slaughter of Grits [illegible] on the 22nd as there was four years ago, when Cartwright, Huntington, Laflamme, Anglin, Jones, Smith and others were among the slain. Mr. Blake's defeat, next Tuesday, is a moral certainty, and McKenzie, Mills, Patterson and Mitchell are doomed.

MONTREAL, Feb. 15.

Mercier proposed a congress of the Provincial Government, to see how much more they can bleed from the Dominion Treasury.

QUEBEC, Feb. 15.

Having two languages, the new Grit Government discountenances the aid given by the late Conservative Government to the starving Gaspe Fishermen.

A Prolonged War.

SUAKIM, Feb. 15.

Prolonged war is probable between the Italians and Abyssinians.

Bradstreet's, the weekly financial and commercial newspaper published by the Bradstreet Company, is now in its fifteenth volume, and is surpassed by none of the financial and commercial periodicals of this country or in Europe. In the fourteen volumes already issued can be found a greater diversity of original and carefully prepared matter—facts and figures—relating to business topics than in any other periodical during the same period. Nor is it surprising that it has reached and maintains this position, for it is owned and published by a large corporation—with its cash capital and assets of over $1,400,000, its nearly 100 branch offices, and its small army of over 1,600 salaried employes and 65,000 regular correspondents. This organization makes extensive investigations into industrial and other matters, gathers full reports of the condition and prospects of the leading crops, and reports regularly each week the condition of trade throughout the country, thus practically making *Bradstreet's* an authority as to the condition and prospects of the commercial world. It needs but a glance at the newspaper to satisfy any one that its publishers have bene ambitious rather than avaricious Files of *Bradstreet's* have become an acceptable and almost indispensable journal for progressive business men.

A Great Event.

This years Carnival in Montreal, now opening, is attracting thousands of prominent people from all parts of the world. Lord Lansdowne is in attendance, while many members of Presieent Cleveland's Cabinet have signified their intention to be there. With truly wonderful enterprise the publishers of the Montreal *Star* have every year published a Carnival number of the *Star*, which has astonished the world and made the publishers of other great illustrated papers look aghast. This year—the Queen's Jubilee Year, the year of the greatest Carnival—is likewise the year of the greatest Carnival *Star* yet produced—a paper that will be preserved as an historical work and descend as an heirloom from generation to generation. It is impossible to describe the attractions of the Carnival *Star* this year. It marks an era of progress in illustrated papers perfectly amazing in its possibilities. The Carnival number of the *Star* has forty mammoth pages with five exquisite plate supplements the most artistic and the most interesting ever produced with any paper on this continent.

The paper looks as if it could not be sold for less than two dollars and yet the price is only forty cents, which can be sent to the publishers, Montreal. It is sure to be in demand at a high premium. To bring out ideas on the subject of illustrated papers, the publishers of the *Star* are giving $1,000 in cash prizes as follows :—

$1,000.00 CASH PRIZES.

The publishers of the Montreal *Star* offer the sum of one thousand dollars for the best letters containing sufficient ideas for a Carnival *Star* to exceed in popular interest the present issue, and that can be sold at the same price.

1st Prize, cash	$ 600
2nd Prize, cash	250
3rd Prize, cash	150

Any competitor, successful or otherwise, will be paid for any accepted idea irrespective of the cash prizes.
