The following Candidates having a majority of votes were declared as duly elected, viz:—Messrs. Hensley, Kieckham, Whelan, Clarke, Wightman, Owen and Messrs. Haviland and McAulay were proclaimed subject to a protest entered against them by their opponent, Mr. Moar. Mr. Fletcher having protested against the return of Messrs. Henderson and Prowse, and having requested the Sheriff to investigate objections taken on the ground of persons having voted in wrong polling divisions, no members were declared as elected for the Fourth District. We believe it is the intention of Mr. Moar to petition the House of Assembly against the return of Mr. McAulay, and Mr. Fletcher intends to do the same against the return of Mr. Henderson. Mr. McDonald of the 5th District of Prince County has likewise entered a protest against the return of Messrs. Green and McLennan.

PETITIONS
For new Post Offices, and for all special purposes requiring an outlay of the public money, should be sent in immediately to the Colonial Secretary's Office, Charlottetown. All such petitions received after the 5th of April next, will be too late and will not be acted upon. It is a mere waste of time to place petitions in the hands of members previous to or after the meeting of the Legislature, unless they have first been placed in the Colonial Secretary's Office within the time specified. From not complying with these plain conditions, petitions for one object or another are, year after year, thrown aside to be heard of no more, except through the unavailing grumbling and disappointment of their originators and signers. Now is the time for the people to act and have their wants supplied—failing in which, they will have themselves to blame if they do not obtain what they want.

THE LONDON QUARTERLY REVIEW for January has been received from the Leonard Scott Publishing Co. New York. Its contents are:—1. Charles Lamb and some of his Companions; 2. The Cholera Conference; 3. Books of Fiction for Children; 4. Crime in the State of New York; 5. The Week's Republic in Palermo, 1866; 6. Game and Game Laws; 7. Ultra Ritualism; 8. Yankee Humor; 9. English Democracy and Irish Fenianism. This No. gives a very fair estimate of the writings and genius of Wm. Hazlett, Leigh Hunt, Coleridge and Chas. Lamb. In the case of Coleridge, the estimate set upon his genius and influence would appear to be too high; but the sketch of Lamb is one of the most pleasant, genial and truthful that we have read in biographical or critical literature for a long time.—We would not begrudge the yearly subscription of the London Quarterly for this one article.

CHARLOTTETOWN LITERARY AND DEBATING SOCIETY.—The Readings and Recitations before the above Society, which were postponed from Friday last, will take place in the Upper Temperance Hall on Friday evening next 15th inst. at 8 o'clock. The doors will be opened at 7 o'clock and the public will be admitted on payment of an entrance fee of 3d.

March 13, 1867.

The Lottery, which was advertised to take place, on the 24th January, ult., in aid of St. Mary's Chapel, Souris, came off on Saturday, Feb. 9.

The following gentlemen were the lucky prize drawers:—
Rev. A. Trudelle, Egmont Bay, the Sleigh; Mr. Daniel McInnis, Red Point, the Buffalo Robe; Mr. Joseph McLellan, Charlottetown the Watch.

It is rumored in town that the Hon. John Rose of Montreal, is to be the next Lieutenant Governor of this Island, and that he will enter upon the duties of that position soon after the opening of the navigation.

PRESENTATION.—Mr. James J. Rice, B. C. M., acknowledges gratefully the following Note, from Mr. Rix, on behalf of the good people of Mimiingash Lot 3, with a superb Buffalo Robe. A people who had previously done well by many acts of personal kindness, as well as a liberal support of the Ministry are fairly entitled to a public acknowledgment:—
Mimiingash, Feb. 18, 1867.

Mr. J. J. Rice, B. C. M.

REV. AND DEAR SIR:—In behalf of the Protestant community of Mimiingash, I present you with a Buffalo Robe, as token of personal esteem and their appreciation of the Bible Christian Ministry,
Yours very truly,
JOHN RIX

We understand that the Examination of the Pupils at the Grammar School, by the Visitor, took place on Tuesday last, and we are glad to hear that a considerable improvement has taken place, as well in the number of scholars, as in their progress in their studies. They were examined in Greek, Latin, and Algebra, Geometry, and in Ancient History, and in every branch acquitted themselves in a way creditable to themselves and their Teacher, Mr. A. McRae.—The two Master Warburtons, Sidney Campbell, Thomas Haywood, particularly distinguished themselves by their readiness and the correctness of their answers, both in Mathematics and History.—S. Journal.

A Cough, Cold, or sore Throat, requires immediate attention, as neglect oftentimes results in some incurable Lung Disease. "Brown's Bronchial Troches" are a simple remedy, and will almost invariably give immediate relief.
Holloway's Ointment and Pills.—Ready to Hand.—Every good and generous person feels a natural sympathy in the presence of suffering; but how much more graceful would that compassion be if it could supply the means of relief. Professor Holloway offers to everyone the never-failing power of thus rendering the most essential service to afflicted humanity. His noble remedies reach the seat of every malady, whether it be on the surface or hidden in the darker recesses of the system, and thus extirpate it, if that be possible. Plainly printed instructions for the guidance of invalids envelope every package of these restoratives, the reputation of which is not only European, but extends throughout the globe.

THE PEOPLE'S FRIEND.
Perry Davis' Vegetable Pain Killer
Possesses virtue, which not alone remove pain instantly, but regulates the stomach, gives strength, tone and vigor to the system. It is one of the medicines that is worth more than gold.
Don't experiment in testing new remedies, when you can buy the genuine Pain Killer, which everybody knows to be good.
The Woodstock (C. W.) Sentinel says: "It is a generally admitted fact, that the medicine manufactured by Messrs Perry Davis & Son has been instrumental in alleviating much pain, and giving relief to millions of suffering humanity. The medical faculty almost everywhere recommend the Pain Killer, and its reputation is now established as the most beneficial family medicine now in use, and may be taken internally and externally to expel pain."

General Agent for P. E. Island.

Prepare for Lent!
FOR Sale at the Kent Street Book Store: THE OFFICE OF THE HOLY WEEK, according to the Roman Missal and Breviary, in Latin and English. The week before Easter has been called by several names, from the great mysteries and various ceremonies celebrated and performed in it. The Greeks and Latins anciently called it the *Great Week*, the *Holy Week*; sometimes the *Painful Week*, that is, the week of sufferings; also, the *Week of Sorrows*, the days of the *Cross* or of *sufferings*. "We call it the *Great Week*," says St. Chrysostom, on Ps. 145, "not that it consists of a greater number of days, or that the days in it are longer, but on account of the great things which God has wrought in it: for on these days was the tyranny of the devil overturned, death debarred, sin and its curse taken away; heaven opened and made accessible, and men made fellows with the angels."
The chief object of the Church in this week, is to celebrate the memory of the passion and death of her Redeemer; every part of the sacred liturgy is directed to this end; the Church's offices, more solemn and more multiplied in this week than in any other during the whole year, are most especially adapted to excite in the hearts of the faithful those various sentiments of love and gratitude, of compassion for the sufferings of our Lord, of sorrow and detestation for sin, &c., which every Christian ought to cherish in this holy time. It is with the sincere desire of exciting pious sentiments in the hearts of the faithful, that the whole liturgy of the Church for the *Lily Week* has been collected in this volume; and is presented to the public, both in the Latin and English languages. Thus, while the pious Christian unites his voice with that of the Priest and of the choir, he may also penetrate the sense of the divine office, and sanction by the fervor of his heart what he pronounces with his tongue. For this reason, the editor flatters himself that this book will not fail to please all those who still entertain a due sense of piety and religion; and may profit even those who, through a want of instruction, seldom or never reflect on the great mysteries which the Church commemorates during the *Holy Week*. The very reading of this most pious and affecting part of the Church's liturgy is capable of exciting in their hearts a true and solid devotion.

Ayer's Sarsaparilla.
Is a concentrated extract of the choice root, so combined with other substances of still greater alterative power as to afford an efficient antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has proved, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it, has been proven by experiment on many of the worst cases to be found in the following complaints:—
Scorfula, Scrophulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blisters, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.
Syphilis or Venereal Disease is expelled from the system by the prolonged use of this SARSAPARILLA, and the patient is left in comparative health.
Femal Diseases are caused by Scorfula in the blood, and are often cured by this EXTRACT OF SARSAPARILLA.
Do not reject this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.
AYER'S CATARRHIC PILLS, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Neuralgia, and as a Dinner Pill, are unequalled.
They are sugar coated, so that the most sensitive can take them with pleasure, and they are the best Aperient in the world for all the purposes of a family physic.
Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere.
