The SCOTCH WHISKY chosen by the Red Cross Society, London, for use by the invalided troops and hospitals in South Africa, is the famous WHITE HORSE CELLAR brand of MacKie & Co., Distillers, Limited, Islay and Glasgow, one of the oldest firms in the trade. In intimation of this, Messrs MacKie, with usual generosity, presented 200 cases free of charge, and shipped them by first steamer to the Cape.

One of the family is a volunteer in the Imperial Yeomanry, and on his way now to the Cape. It is hoped that he may give a good account of himself.

THE ABOVE MENTIONED BRAND IS FOR SALE AT

ONLY EIGHTEEN YEARS OLD	
And Eight Years Tortured With Asthma. Kept in an Airtight Room for Months. Was Cured With Clarke's Kola Compound.	
Mr. L. O. Lemineus, C. P. R. engineer, Windleg, Man., writes:—"My son, who is just eighteen years of age, has been a terrible sufferer from asthma for eight years. Hundreds of dollars I spent on doctors and remedies during these years only brought temporary relief. For months he was kept in an airtight room. About the first of September, 1898, we purchased some Clarke's Kola Compound. He took in all seven bottles and has since been completely cured. It has certainly been a blessing to him." Sold by all druggists. Enclose six cents in stamps for free sample, to the Griffiths and Macpherson Co., Limited, 121 Church Street, Toronto.	

LANGUID

children are sick children. Their inactivity and sober faces are not in keeping with robust childhood. They lack vitality and resistive power, and are very susceptible to colds and contagious diseases.

Scott's Emulsion brings new life to such children. It enriches the blood; it restores health and activity; it gives vigor and vitality to mind and body.

See and try it. All druggists, SCOTT & BOWNE, Chemists, Toronto.

ADAMSON'S BOTANIC BALSAM

CROUP is the most deadly of all diseases of children. It gives very little time in which to seek remedies. A little tiredness—a cough—feverishness—stuffed coughing—weakened voice—feeble pulse—delirium—convulsions—and even at this critical period **LIFE IS SAVED** if this wonderful balsam is administered. It should be always on hand and given at the first symptom but it will nearly perform miracles whenever used.
