City Soldier 'Outstanding' In Germany

A young former Charlottetown man now serving with the U. S. Army in Germany was signally honored recently when he was chosen over 10,000 other troops as the "Soldier of the Month" in the Munich sub-area. Barry MacDonald, son of Mr. and Mrs. Elmer MacDonald, was named twice as the outstanding soldier in his unit the 508th Military Police Command and also topped his battalion and the Munich sub-area.

Pfc. MacDonald stationed at Augsburg was the only one of 10,000 troops to attain the rating of "outstanding" in a series of three inspections.

His commanding officer, Lt. Col. Edward T. Devila, said of him: "Your actions have reflected very favorably upon the advanced state of training and discipline which exists in yourself and your assigned organization."

His provost marshal said: "It is felt that Pfc MacDonald's ability to produce positive results reflects most favorably on himself and his unit."

While living in Charlottetown Barry was widely known for his skill on the ice lanes of a curling rink. He was a member of the Island champion Prince of Wales College team that reached the finals in the Dominion playdowns at Sydney some years ago.

He has served in the U.S. Army for more than two years.

During the devotional period Scripture was read by James Robbins; Theodore Webster led
