Notes From East Point.

The heavy rain of last week has made the roads very bad, thus causing a great inconvenience to those who have not finished hauling their firewood and rails.

On Wednesday, the 2nd inst., Mr. Jas. Chevarie met with what might have resulted in a serious accident. While out driving on East Lake his horse, a valuable one, broke through the ice, which was very thin. Mr. Chevarie managed to keep the horse from sinking until help arrived, which was about a half an hour afterwards. They succeeded in getting the horse on solid footing, not much the worse for his cold bath. Had it not been for the pluck of Mr. Chevarie and the timely arrival of assistance, the noble animal would certainly have succumbed.

A very happy event occurred here recently, in which two loving hearts were made to beat as one. Mr. Stephen McDonald, assistant book-keeper in the firm of Messrs. Strong & Co., was united in the bonds of matrimony to one of Cape Breton's fairest daughters. After the marriage ceremonies were performed and the bridal dinner partaken of, the happy couple, accompanied by a gay concourse of people, drove to Harmony Station, where they boarded the train en route to the Pacific coast. We wish Mr. and Mrs. McDonald a long life and happiness.

A grand concert was held in East Point schoolhouse on Monday evening, 29th ult. The programme was well selected and ably carried out. The vocal duet by the Misses Strong was rendered in elegant style, but the piece of the evening was "Nancy Hogan's Goose" sung in a beautiful tenor voice by a juvenile comic. The concert reflects much credit on the directors, Professors Furlong and Lasens.

The ice is fast disappearing from the Gulf, and it is the opinion of all that it will be an early spring for fishing. The lobster factory at East Point owned by Dennis Murphy is undergoing repairs. I understand it is to be conducted on a larger scale this year than ever. Mr. Murphy is to be complimented on his perseverance in struggling against so many disadvantages.

Personal

The Halifax Herald says: St. Luke's Kirk, Salspringe, Pictou, has called the Rev. Alexander Raulston, of Murray Harbor, to be their minister. Rev. Mr. Raulston is a middle aged man, having a family, and is a native of Ulster, Ireland.

The D. Wright, of Britain, South Dakota, contains the following paragraph referring to one of our old friends: On Saturday last, Lieut. Gov. Fletcher appeared at Stena with his new service on an Iowa Humor. The large school-room was packed from platform to walls. From the opening sentence to the close the audience roared and applauded. At first they tried to suppress their emotions, but finally gave themselves over to uncontrollable laughter, some even screamed aloud, and the lecturer was frequently compelled to stop this kind, but Gov. Fletcher's effort appeased them all. When the meeting broke up one could be heard telling another, "my sides are sore," or, "I am pl'ed out."

It is said that Mr. James Sutherland M. P. for North Oxford, will be appointed Liberal whip to succeed Mr. Trow.

STRANGE BUT TRUE—It is not surprising that people wonder how goods are sold so cheaply at the Diamond Bookstore. An average discount of twenty per cent. is not always procurable. Without doubt the Diamond Bookstore is the place.

The "Myrtle Navy" brand of smoking tobacco has stood the test for over twenty years, and during that time it has lost no friends and gained scores of thousands. This long experience shows that it is no mere passing fashion which has gained the approval of the public, but its superiority in the essential qualities which make it a first-class tobacco.

In the months of March, April and May the blood should be purified, and the system strengthened, so that it be able to withstand the debilitating effects of the changing weather, and resist the attack of disease.
