

Bacon Literature.

Why is a billiard player like a thief in a crowd? Because he aims for the pockets. Malder colors red. This is the reason why the madder you get, the redder you grow. Why is a dog's tail a great novelty? because no one ever saw it before. Ground rents—the effect of an earthquake. What plaything is above every one? the top. Fast young men's motto—meet and drink. At what age do pig end their existence? Sausage. "My dear boy," said a young lady to a precocious youth of eighteen, "does your father design that you should tread the thorny and intricate path of a profession, the straight and narrow way of the ministry, or revel in the flowery fields of literature?" "No marm, dad says he's gwine to set me to work in the tater patch."

New Triumphs of Rogers' Medicines. Run your eye over them and tell your afflicted neighbour about it. From the Halifax "Citizen." A VALUABLE REMEDY.—As a general rule, we do not endorse, editorially, any of the numerous notices of popular medicines, that from time to time appear in the advertising columns of our paper; but we depart from our usual custom to-day to direct attention to the advertisement of Rogers & Co's. Medicine, because we believe the facts disclosed in the advertisement are such as to justify, if not call for, such special attention. The facts of the case detailed in the advertisement are placed beyond dispute by the certificate of the High Sheriff of Cumberland, and ten of the most respectable and well known citizens of Amherst, so that there is nothing of mere puffing about it, but a truthful statement, that ought to be laid before sufferers afflicted as young Copeland was. The character and social position of Mr. Rogers, who is well known to a great part of Nova Scotia, is sufficient to say that this is no mere quack nostrum, made only to sell, and put money in the pockets of speculators, at the expense of the credulous and unfortunate. NAPAN, Cumberland Co., N. S. July 23, 1866. MESSRS. ROGERS & Co. :— Gentlemen—Your medicine has done such wonders for my son, that I feel it my duty to make the case public for the benefit of others. The facts of the case are as follows:— About three years ago he took a severe cold; it settled into his limbs; he suffered most excruciating pain; he was often out of his mind. The doctors called it Inflammatory Rheumatism. In about three months his arms and legs—which were very much swollen—ulcerated, and continued to discharge freely for eighteen months, and he could only get about on crutches; Numbers of pieces of bone came out of the sores on his arms and legs. We heard of your medicine, and concluded to try it. My son is now up, and walks to and from school daily some 3 miles. I may say that your medicine has transformed him, by the help of God, from a puny, sickly cripple to a cheerful, lively boy, the change wonderful. I hope I shall ever feel grateful for the great blessing. Yours respectfully OSCAR F. LOWE. PUGWASH, August 28, 1865. MESSRS. ROGERS & Co. :— Gentlemen—Your medicine cured my wife of a most distressing case of hip disease; and as some persons seem disposed to misrepresent the case, I give you the following facts in relation to it; to all of which I am prepared to make oath, and prove by many other witnesses if necessary. Three years ago she fell upon the ice, and broke or injured the bone of her hip. She was confined to her bed for three months. She then recovered and got comparatively well, and continued so for nearly twelve months, when her hip began to get painful, and swelled and broke, and discharged freely, and in great quantities. She suffered most excruciating pain; it broke in three places. The doctors were attending her, but could not cure her; in fact we gave up all hopes of her ever getting well. The doctors told me that she never could recover. We, however, thought we would try your wonderful medicine as a last effort and she soon began to improve, and in a few months she was able to attend her domestic duties. The sores all healed up, and she got as well as ever she was, with the exception of a little hitch or limp in her walk. She died last fall; but there was no symptoms of the old complaint. She was entirely cured of that. She died from other causes. ARCHIBALD DAWSON. Christmas & New Year's. 100 BBLs. Prime APPLES. 60 Boxes layer RAISINS, very fine. 3 Bbls. fresh Barcelona NUTS. 2 do. MRS. WINSLOW, An experienced Nurse and Female Physician, presents to the attention of mothers, her SOOTHING SYRUP, FOR CHILDREN TEETHING. which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—allaying all pain and spasmodic action, and is SURE TO REGULATE THE BOWELS Depend upon it, mothers, it will give rest to yourselves, and Relief and Health to your Infants. We have put up and sold this article for over thirty years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine—never has it failed in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects on the medical virtues. We speak in this manner "what we do know," after thirty years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered. This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with never failing success in thousands of cases. It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcome convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhea in Children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None Genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper. Sold by Druggists throughout the world. Brown's Bronchial Troches HAVING A DIRECT INFLUENCE TO THE PARTS, GIVE IMMEDIATE RELIEF. For Bronchitis, Asthma, Catarrh, Consumptive and Throat Diseases, Troches are used with always good success. SINGERS and PUBLIC SPEAKERS will find Troches useful in clearing the voice when taken before Singing or Speaking, and relieving the throat after an unusual exertion of the vocal organs. The Troches are recommended and prescribed by Physicians, and have had testimonials from eminent men throughout the country. Being an article of true merit, and having proved their efficacy by a test of many years, each year finds them in new localities in various parts of the world, and the Troches are universally pronounced better than other articles.
