KENNETH MACKENZIE.

THE CHEAPEST AND HANDSOMEST BOOK EVER ISSUED IN AMERICA.

A Christian Father's Present to his Family. IMPORTANT AND INTERESTING WORK, EMBELLISHED WITH SEVERAL HUNDRED FINE ENGRAVINGS.

Just Published, and for sale, wholesale and retail, at the Hat and Fur Store of G. & E. Sears, King-Street; and Booksellers generally throughout the British Provinces.

BIBLE BIOGRAPHY; or, The Lives and Characters of the principal Personages recorded in the sacred writings; particularly adapted to the Instruction of Youth and private families; together with an Appendix, containing Thirty Dissertations on the evidences of Divine Revelation, from Timson's Key to the Bible; being a complete summary of Biblical knowledge, carefully condensed and compiled from Scott, Dodridge, Gill, Patrick, Adam Clarke, Poole, Lowth, Horne, Wall, Stowe, Robinson, and other eminent Writers on the Scriptures; embellished with SEVERAL HUNDRED ENGRAVINGS on wood, illustrative of Scripture Scenes, Manners, Customs, &c.

OPINIONS OF THE PRESS.

"This is a work possessing many novel and uncommonly attractive features. Its appearance is beautiful. Its biographical sketches embrace the most interesting incidents and events in the lives of the principal personages of the Scripture History, woven together in a pleasing and sprightly narrative, and faithfully accompanied with excellent practical lessons. Its chief claim, however, to popularity, consists in its multitudinous pictorial embellishments.

"Something like five hundred engravings on wood are contained in the volume, many of which are costly and elegant, and in a high style of art, and none discreditable to the theme or the work. These relate to numerous ancient and oriental customs, scenes, manners, history, &c.; and while they add great spirit and interest to the objects which they illustrate, form of themselves a pleasing and profitable study. The work is a rare combination of the useful and attractive—adapted at once to engage the attention and affect the heart. We should regard its possession by families—whose children may obtain, from its striking representations of Scriptural truths and events, lasting impressions of their reality—as highly desirable. The Appendix contains thirty brief but comprehensive and excellent essays upon the Evidences and Archaeology of the Scriptures, which add greatly to the value of the work, as designed for the instruction of youth and families."

(From the New-York Evangelist.)

"This work is an attractive one, not only from the very numerous neat embellishments which pervade it, but from the interesting matter which it comprises. It furnishes lives of the principal characters of the Old Testament, with accounts of the Creation, Deluge, Dispersion of Mankind, &c., and an extended Life of the Saviour, comprising the outlines of the Gospel History. The whole is in a spirit and form well adapted for practical usefulness and spiritual improvement. The numerous historical and landscape illustrations of the sacred volume introduced into this work, will prove both amusing and instructive, to the young especially, and it will be an entertaining and useful volume in the family. The illustrations are neatly executed on wood. The last hundred pages contain Thirty Dissertations on the Evidences of Divine Revelation, from Timson's Key to the Bible, &c., and are exceedingly valuable. The work is in large octavo, with closely filled pages, and highly decorated by the very numerous illustrations and the binding. It will no doubt meet with a popular demand."

(From the Boston American Traveller.)

"Sears' BIBLE BIOGRAPHY is even more finely illustrated and beautifully ornamented than his previous works. The typography is clear and plain, the paper and binding handsome, while the gilded figures give it a rich and tasteful appearance. The literary contents are connected biographies of all the principal characters in the Bible. These are well written, and the whole illustrated with several hundred engravings.—An appendix is also added, containing some interesting essays upon subjects of importance."

"This work, from the information it gives respecting Eastern Habits, Manners, Countries, Animals, Scenery and People, all of which are doubly illustrated, by language and pictorial representation, will prove a valuable addition to Sabbath School and Family Libraries."

"There is no series of works, at the present day, of more practical importance, and deserving better encouragement, than that of Mr. Sears. His design is to add to, and extend the interest of the Bible—to place its truths and valuable precepts in an attractive light. It is often remarked, that the young of the present age, though so intelligent, know less of the Bible than children fifty years ago. The reason has been, that their hands have been filled with popular and pleasing books, adapted to their capacity, and rendered attractive by illustrations by all its golden tales, and thoughts, and truths, concealed in the sober and formal phraseology of King James's long-winded God. Mr. Sears, by giving them a popular form, has conferred a great favor upon the young, and indeed upon all classes."

From the Boston Transcript.—"Altogether it is one of the most elegant works of the season, and must prove the most useful ever issued from the American press."

From the Boston Mercantile Journal.—"We can cheerfully recommend it to the notice of every Christian Parent, as a beautiful gift book to present to his family."

From the Boston Times.—"An elegant work of five hundred pages, and containing about 500 engravings. The contents of the volume appear to be sound, judicious and interesting. If this book meets with a circulation commensurate with its merits, it will be found in every dwelling in the Union."

Persons in the country would do well to procure a subscription book, and obtain at once the names of all their friends and acquaintances, at least as subscribers to this valuable sacred gem. Will each Christian friend who complies with this request have the kindness to inform the publisher how many copies will be wanted for his neighbourhood, by mail, (post paid,) as soon as possible? It is the publisher's intention to spare neither pains nor expense to introduce this entirely new and original volume into every family in the British Provinces, where the Holy Bible is read and respected."

"This beautiful and interesting Work consists of one large octavo volume, of about 500 pages, printed from new and elegant Bourgeois type, on the finest paper. The price is fixed at \$2.50 per volume, handsomely bound in gilt, and lettered."

All Postmasters and Newspaper Agents, throughout the British Provinces, are respectfully requested to act as Agents. The book may be procured at New York prices, by the quantity, on application to G. & E. Sears, St. John, N. B."

ALSO, FOR SALE AS ABOVE, The well known and popular Work (in three volumes) entitled—

"Pictorial Illustrations of the Bible, and Views in the Holy Land," forming an Illustrated Commentary of the Old and New Testaments. Each volume contains 200 Scriptural Engravings, and 400 pages of interesting Letter-press descriptions.—Price \$6 for the set, or \$2 for a single volume.

ALSO, JUST PUBLISHED, EASTERN ARTS AND ANTIQUITIES, mentioned in the Holy Scriptures, with nearly Two Hundred Embellishments, and containing 400 pages.

BIBLE QUADRUPLES, or, the Natural History of the Animals mentioned in the Scriptures.

All the above Works are elegantly bound in gilt, and lettered, and will be found intrinsically valuable and useful for Families and Sabbath School Teachers.

Enterprising and responsible men throughout the British Provinces would do well to undertake the sale of them. They are pronounced by all the leading Editors and most useful Series of United States to be the handsomest and most useful Series of Scriptural Works ever issued on this side of the Atlantic. They are all eminently calculated for "Gift Books;" and no Christian's Library should be without them.

TO NEWSPAPERS THROUGHOUT THE BRITISH PROVINCES. * * * All Newspapers copying the above advertisement, (including this notice), for Six Months, shall receive an entire Set of Mr. Sears' Works—consisting of the "Illustrated Commentary of the Old and New Testaments," (3 vols. each containing 200 Engravings.) The Books will be delivered at the Store of G. & E. Sears, and will be kept subject to their order. Will Proprietors of News-

papers, throughout the Provinces, where it is convenient, act as Agents? The most liberal per centage allowed.

Those persons residing in P. E. Island who may be desirous of obtaining all or any of the above Works, are respectfully requested to forward their names, address, &c. as early as possible, to the Proprietors of THE COLONIAL HERALD, Charlottetown, who have consented to act as Agents for the Publishers in that Province.

THE AMERICAN FAMILY MEDICINE.

WHAT Mr. MOFFAT'S Life Pills and Phoenix Bitters have long since obtained the high and enviable distinction of a host of competitors, and that they acquired it solely by their invariable and almost unlimited efficacy, without the usual aid of fulsome puffery and pretensions, are well known to the public, and cannot be denied.—While very little has been said concerning these astonishing Life Medicines by the proprietor himself, and not more than was necessary to call the attention of the afflicted to a sure and speedy means of relief, their renown has rapidly flowed from one individual to another, and from family to family, until they have long since become known in almost every town and village in the Union, as a wonderful and inestimable blessing. Voluntary and unsolicited testimonials of their absolutely astonishing efficacy, in diseases of the most dreadful and obstinate character, as well as in others of prevalent and ordinary occurrence, have been received by the proprietor from the persons they have cured from every section of the country, and still continue to be received in increasing numbers. It is with pride and pleasure that the proprietor refers the public to his "MEDICAL MANUAL," where a widely various selection of these testimonials is published, with the names and residence of the writers, because he has no hesitation in saying that the annals of Medical Science do not contain a greater number or variety of cures effected by any medicine known to the profession, or cures of a more frightful kind or of longer standing, coming as these testimonials do
