VICTORIA DIVISION.—Regular meeting to-night in Wrights Hall, Prince Street.

I. O. O. F.—St. Lawrence Lodge. Third degree and important business. Full attendance.

FORTY HOURS DEVOTION.—The Forty Hours Devotion will begin in St. Dunstan's Cathedral on Tuesday week. The Cathedral clergy will be assisted on the occasion by a number of clergymen from the other parishes.

SPONTANEOUS COMBUSTION.—Some coal in a shed on Lord's Wharf was on fire on Saturday, and about nine o'clock in the evening one of the hose reels had to be called into requisition. Spontaneous combustion was the cause.

NOTICE.—There will be a meeting of the Crescent Football club in the Cabot club room on Tuesday evening at 7 o'clock. All members are requested to be present as business of importance will be transacted. —A D MacDonald, Sec'y.

ANOTHER NEW CHURCH.—The Guardian announces that the Indians of Lennox Island are to build a new church next summer. The church will be of the Gothic style of architecture, and will seat about three hundred people. It will cost about $3,500.

SHIPMENTS FROM SUMMERSIDE. — On Thursday Messrs. Deacon & Drummond shipped 400 lambs on board the Northumberland, and on the same morning they also put 105 on board the Chas. E. Lefurgey. Mr. Chas. A. McNutt, of Kensington, the same day also sent away 200 on board the Northumberland for Halifax.—Pioneer.

CAMPBELLTON'S WATER WORKS.—The Pioneer says: The laying of the main pipes throughout the town is completed, and the work is progressing well out to the reservoir. The pipes now tap the Tobique brook and a stream of water was run through them last Saturday, throwing a stream with quite a force, though it has not as yet more than half its head.

LIVE STOCK SHIPMENTS.—A late despatch says that some 2,000 head of cattle, 4,000 horses, and 130,000 sheep have been shipped at Montreal this season in excess of last year. Thirty per cent of the horses and 25 per cent of the sheep passed through in bond from the United States, showing that both Canadian and American go to the same market, viz., Great Britian.

'TWAS A BAD STORM.—The Halifax Chronicle says: The schooner Chlorus, Capt. McKinnon, which arrived yesterday from P. E. Island, met Tuesday's gale 25 miles off Halifax. Capt. McKinnon says that he never saw such a storm in 20 years. The vessel lost her topmast, the boat was carried away from the davits, the mainsail was torn from its fastenings and other sails split and torn.

POLICE COURT.—This morning, Captain John Hughes was convicted of a first violation of the Canada Temperance Act, and fined in the sum of $50 and $7.20 costs or two months imprisonment. A. N. Large, charged with a similar offence, confessed and was fined $50 and $2.85 costs, which he paid. There were two similar charges against George Offer, and both were adjourned until this day week.

DON'T FAIL TO ATTEND.—The Rev. G. M. Campbell will deliver a lecture in the Upper Methodist Church, on Tuesday evening next, November 13th, at 8 o'clock. His subject will be "The White City, or a trip to the World's Fair." Admission—ladies, 10 cents; gentlemen, 15 cents. Proceeds for church purposes. As this will be the last time Rev. Mr. Campbell will deliver this lecture in Charlottetown, everyone should make a point of attending. A rare treat is in store for those who will be present on Tuesday night. tl d te

SORRY TO LOSE HIM.—The New Glasgow Enterprise, referring to the departure from that place of Mr. Geo. A. Dixon, says: "Mr. Dixon was in Charlottetown last week, and we understand will leave as soon as possible for his new home. We are sorry to lose him. He is a good citizen and a good business man." The New Glasgow correspondent of the Pictou Advocate says: "We are sorry that we are soon to lose Mr. Dixon, merchant tailor, who is going back to Charlottetown to carry on his business there."

CIVIL SERVICE FRAUDS.—Joseph A. Desilets the civil service scrutineer recently found guilty at Montreal of having received money from impersonators of genuine candidates at a civil service examination, was brought up before Judge Desnoyers a few days ago. The Judge pointed out that Desilets could be sent to prison for seven years for the offence of which he had been found guilty; but in view of the fact that this was the first case of the kind ever brought into the police court and upon the defendant's promise that he would lead an honest life in the future he would not send him to prison. Instead he would impose a fine of $60 and costs, the whole amounting to upwards of $100.

CONFERENCE OF CHURCHMEN.—A conference of clerical and lay members of the Church of England will be held in the school house of St. John's church, St. John, N. B., on Tuesday and Wednesday of this week. Besides discussion of papers on various theological and practical subjects there will be a public meeting on Tuesday evening, presided over by Sir Leonard Tilley, when the subject of The Position and Claims of Evangelical Churchmen will be dealt with by prominent speakers from several dioceses. On Wednesday afternoon the subject of Christian Reunion will be discussed; when, in addition to Church of England speakers, several leading representatives of the Presbyterian, Methodist and Baptist churches have been invited to take part. At the conclusion of this debate a reception of the members of conference will be held by Lady Tilley at Carleton House. Rev. W. Hamlyn and A. W. Daniel are amongst those announced to take part in the proceedings.

said Daniel Webster on a certain occasion. This was long ago. Only think of the extraordinary things which Webster had not then seen, probably not even in his dreams.
