

**Acme Rebekah
Lodge Meeting**

Mrs. Frances Shaw, P.N.G., presided at the regular meeting of the ACME Rebekah Lodge, Montague, Thursday evening. Twenty members and one visitor responded to the roll call. Lodge opened in regular form, followed by the reading of the minutes of the last meeting by the secretary, Miss Florrie Beaton. A number of letters and accounts were discussed. The financial report was read by the treasurer, Mrs. Ruth MacLeod, who also reported on the success of the annual banquet which was held in the lodge room recently. Miss Edith MacDonald read the vice-grand's report. One application for membership was read and referred to the investigating committee. Unfinished business included plans for sponsoring the annual Walter Callow tag day, and the visit of the Callow coach to Montague this summer. Mrs. Violet MacDonald, Mrs. Kathleen Cann, Mrs. Florence Stewart and Mrs. Marjorie Johnston were appointed on a committee to make final arrangements.

The vice-president of district number 14, Mrs. Doris Llewellyn, announced that the annual meeting is to be held in Charlottetown on June 7th, and that a large representation from ACME Lodge is requested to attend these sessions. Final plans were discussed for the annual lobster supper and social evening in the lodge and a committee comprised of Miss Edith MacDonald, Mrs. Doris Llewellyn and Miss Mary Hemphill was appointed in charge of the details.

**ATTENTION ELECTORS
2nd DISTRICT KINGS COUNTY**

Due to the fact that only recently we were nominated as Progressive Conservative Candidates for the 2nd District of Kings we wish to answer the invitations for Joint Political Meetings. Owing to the shortage of time we feel that we can much better discover the needs and wishes of the electors by visiting them personally, than by attending Joint Political Meetings.

The issues have been clearly defined through the medium of the Press and the Radio. Personal contact with electors is the only way to discover problems of the Farmers and Fishermen.

Watch for notice of radio broadcasts by the undersigned.

**SEE HOW
THEY RUN!**

The Liberal Machine has at least one weapon in this campaign that no Conservative wants or has. That is the weapon of fear.

Our Liberal opponents are running scared — as well they might — and some of them are spreading fear and mistrust wherever they feel it might help them.

One of our Conservative workers who has been actively campaigning for the Conservative Leader, Mr. Bell, and his colleague has been threatened with loss of business and even of his job if he does not slacken his efforts to turn out the Government. The threat was made by one of the Liberal satellites (who has his wagon firmly hitched to the Premier's star). His amateur attempt to stifle free speech and to sandbag the rising tide of protest against the Liberal Government was a dismal failure and he has returned to sulk in his tent.

Our Conservative friend is not frightened. He knows the difference between a sandbag and a windbag.

In the Cardigan District, Government forces are going full blast to defeat MacDonald and Shaw. They describe Mr. Shaw as a former "Liberal Minister" and they are wailing about his ingratitude toward the Liberal Government.

What nonsense! Walter Shaw served the people of this Province as a Civil Servant. He was a servant of all the people — not the hiring of a few Grits.

What a sad and sorry spectacle is the Liberal campaign in the Cardigan district. Their campaign is being led by a Minister of the Crown, his colleague and the assistant vendor from a Government liquor store. What a happy Liberal family that is!

There are those who must remain silent until election day. But they will speak out on May 25th. Though Government supporters may howl like banshees or whisper like the wind — they may not save themselves.

Because the ballot is secret and silent. But it speaks loudest of all because it is both a free voice and a fearless one.
