Dalhousie Graduate

DR. JAMES MCGAUGHEY, B.A., D.D.S.

Another Islander has brought much credit to his province in the person of Dr. James McGaughey whose home district is Green Road.

Dr. McGaughey just recently graduated as Doctor of Dental Surgery from Dalhousie University. His name will be found high up in the honor list of dental graduates.

Dr. McGaughey received his early education at Green Road School. At completion of his school days he attended P.W.C. for a period of two years. The following two years he was engaged in teaching in this province. He then proceeded to take an Arts course at Saint Dunstan's University from where he graduated (magna cum laude) in 1940. Following his graduation from Saint Dunstan's University he served his country in the army until World War II ended.

During the past five years he most successfully took a Dentist course at Dalhousie University and now is a highly qualified dentist. Dr. McGaughey is now posted at H.M.C.S. Cornwallis, Deep Brook, where he is a most valuable member of the Dental Staff.

Dr. McGaughey is a son of Mr. and Mrs. John E. McGaughey of Green Road. He is most certainly a credit to his parents who have seen the fulfillment of a cherished dream.
