But the Notary, Mr. Lemire, was cured of Kidney Disease in two months by Dr. Chase's Kidney-Liver Pills.

It is only when thoroughly convinced of the superior merit of a remedy that public men will give their sanction.  
Mr. E. H. Lemire, Notary Public, 1692 Notre Dame Street, Montreal, tells of his remarkable recovery from a severe attack of kidney disease. When doctors had failed, Dr. Chase's Kidney-Liver Pills saved his life. He writes: "I give this statement, first because it is only just that the merit of Dr. Chase's Kidney-Liver Pills should be made known, and again in order that others may profit by my experience. For years I suffered with kidney disease which doctors pronounced incurable. Thanks to Dr. Chase's Kidney-Liver Pills, which I have used for two months, I am completely cured. They helped me from the first, and the cure is now perfect."  
Dr. Chase's Kidney-Liver Pills act directly on the kidneys, and through their combined influence on the kidneys and liver, cure the most complicated diseases of these delicate organs. One pill a dose. 25 cents a box at all dealers, or Edmanson, Bates & Co., Toronto.

### Five Little Brothers.

Five little brothers set out together  
To journey the livelong day,  
In a curious carriage all made of leather  
They hurried away, away!  
One big brother and three quite small  
And one wee fellow, no size at all.  
The carriage was dark and none too roomy,  
And they could not move about.  
The five little brothers grew very gloomy,  
And the wee one began to pout,  
Till the biggest one whispered, "what do ye say?  
Let's leave the carriage and run away!"  
So out they scampered, the five together,  
And off and away they sped!  
When somebody found that carriage of leather,  
Oh, my, how she shook her head;  
'Twas her little boy's shoe, as everyone knows,  
And the five little brothers were five little tocs.

## BRAIN FAG

Is the result of Overwork and an Exhausted Nervous System. Dr. A. W. Chase's Nerve Food creates New Brain and Nerve Tissue.

Business and professional men, accountants, stenographers, teachers, students and all brain workers know only too well that it means to have the brain so tired out that concentration of thought is almost impossible.  
One-fifth of all the blood in the human body is found in the brain, and unless the blood is pure and rich the brain becomes exhausted for want of proper nourishment.  
Dr. A. W. Chase's Blood Food creates new brain and nerve tissue, and produces rich red blood, "the vital fluid" of the body.  
All brain workers quickly recognize the merits of this great food cure, and after a few doses enter on their work with new energy and ambition.

Brain fag is unknown to persons whose brain and nerve have been invigorated by the use of Dr. A. W. Chase's Nerve Food, which is for sale by all dealers at soc. a box.

### Two Tricks—Try Them.

#### BLOW THE COIN.

A coin is placed on the table and a request is made for the coin to be handed to you in a person's hand, but he is to remove the coin from the table without using hands, feet or picking it up with the mouth. Now, this seems a puzzle, but is as simple as A, B, C. All the persons has to do is to place his mouth within a short distance of the coin and give a strong blow with his breath, directing it at the coin at about an angle of forty-five degrees, causing the air to pass under the coin, and propel it into the air, where it is caught in the hand, which is ready to receive it.

#### PEEL THE BANANA.

If you want to create wonderment and laughter take a banana and just start the peel or covering at one end enough to uncover it an inch or so. Now insert this end into the neck of an empty bottle. The banana will be drawn into the bottle, peeling itself as it does so.—Exchange.

#### Boys Wanted.

Boys of spirit, boys of will,  
Boys of muscle, brain and power,  
Fit to cope with anything—  
These are wanted every hour.

Not the weak and whining drones,  
Who all troubles magnify—  
Not the watchword of 'I can't,'  
But the nobler one 'I'll try.'

Do whate'er you have to do  
With a true and earnest zeal.  
Bend your sinews to the task—  
Put your shoulder to the wheel.'

Though your duty may be hard,  
Look not on it as an ill;  
It is be an honest task,  
Do it with an honest will.

In the workshop, on the farm,  
At the desk—where'er you be—  
From your future efforts, boys,  
Comes a nation's destiny,  
'Boy's Own.'
