OTTAWA, (CP) — Archbishop Bietrandio Antonutti, former apostolic delegate to Canada and new apostolic nuncio to Madrid, left Ottawa Wednesday after serving the Roman Catholic Church in Canada for 15 years.

Archbishop Antonutti left the capital by train at 4:30 p.m. for Montreal and New York. He will sail from New York Saturday for Naples and will be granted an audience by the Pope before leaving for Madrid to assume his new post.

The Canadian Catholic Conference announced that Msgr. Luigi Dadaglio will assume Archbishop Antonutti's duties as charge d'affaires until the arrival of the new apostolic delegate, Archbishop Giovanni Panico. Msgr. Dadaglio has been auditor of the apostolic delegation since last August.

Archbishop Panico will leave Italy Dec. 4 for Lima, Peru, where he has been apostolic nuncio since September, 1948. He is expected to arrive in Ottawa late in February.

**On Judicial Staff For Armed Services In Japan And Korea**

OTTAWA, (CP) — Integration of Canada's three armed services abroad took a step forward recently with the establishment of the office of assistant judge advocate general at Kure, Japan.

Headed by Lt.-Col. Gerry Nantel of Montreal, the new unit includes three legal officers from the army, one from the RCN and one from the RCAF. Authorities here said its duties are to handle all matters of law pertaining to Canadian forces stationed in Korea and Japan.

Last officer to join the group was Lieut. Douglas Sherlock, of Vancouver, who was appointed assistant deputy judge advocate earlier this month. The other unit officers are Flt.-Lt. Bruce MacDonald of Summerside, P. E. I., and Capt. Rene Hamelin of Montreal.

**Native Dancer Top 3-Year-Old**

NEW YORK, (AP)—Native Dancer was unanimously voted as the champion three-year-old colt of 1953 Wednesday.

The selections board of the Thoroughbred Racing Associations gave Alfred G. Vanderbilt's great grey all its votes. Last year the Dancer was chosen two-year-old champion, No. 1 horse of 1952 and American champion.

Native Dancer, who captured the public fancy as no race horse had perhaps since the days of Man O'War, was unbeaten as a two-year-old in nine races. This year he lost only once—to Dark Star in the Kentucky Derby upset.

He won nine of 10 races this year for \$513,425 and shot his total to \$743,920—fourth on the list of the world's greatest money-winning horses.

**Jailbreakers Crash RCMP Road Block**

BRANDON, Man., (CP)—A stolen car, believed to be carrying three young jailbreakers from Regina, roared through an RCMP road block at Virden, Man., early Wednesday and eluded pursuing police in a network of trails through the Griswold hills, 25 miles west of here.

A helicopter and radio patrol cars in western Manitoba were rushed into the area in efforts to trap the fugitives.

Three 17-year-old youths—George McGurk and Kenneth Taylor, both of Saskatoon and Guy Loiselle of Quebec—escaped from Regina jail Tuesday night after bolting from a detention hut.

**See Increase In Demand For Newsprint**

MONTREAL, (CP)—The Newsprint Association of Canada forecasts a continued increase in world newsprint production during the next year but adds that productive capacity will keep up with the demand.

In analysis of the world newsprint situation, published in its booklet, "Newsprint Data: 1953", the association reports that in 1952 "it could be said that newsprint supply was adequate and that demands were being met."

"This situation continued through 1953 and it now is possible to conclude that the abnormal bulge of post-war demand has been digested."

The booklet lists reports of new newsprint projects. On completion the projects could add 2,750,000 tons to annual world newsprint production by 1960.

Canadian production now is 5,625,000 tons annually and accounts for 53 per cent of world newsprint production. The United States consumes about 6,150,000 tons annually, more than 56 per cent of world consumption.

You can't go ALL-OUT

If you feel ALL-IN

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "tired-out" heavy-headed feeling often follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dodd's Kidney Pills at any drug counter.
