Tignish-Miminegash Wins Intermediate B Ch'ship

The Tignish-Miminegash Royal-Aces, coached by Joe MacDonald of Tignish, won the Prince Edward Island Intermediate "B" Baseball championship Sunday afternoon by splitting a double-header with Peakes Bombers and winning the three game series two games to one.

Peakes won the first game 7-6 Sunday but the Bombers rallied behind the outstanding pitching of Rodney MacInnis to win the abbreviated second game 2-0. The second game was called at the end of five innings on account of darkness.

The Royal-Aces won the opening game of the series 15-0 on the St. Roch diamond a week ago. Sunday's games were played on the Peakes diamond.

Rodney MacInnis and Paul Jay, provided the huge crowd of fans with a brilliant pitching duel in the five inning second game.

MacInnis allowed only three hits and struck out nine men while Jay was touched for only two singles and struck out six. Neither pitcher walked a man.

The difference in the score however was caused by errors. The Peakes infield committed three errors in the costly second inning and these allowed two Royal-Aces runners to score.

From then on Jay and MacInnis kept the doors locked. Both hurlers entered the first game as relief pitchers and continued hurling throughout the afternoon.

The batters were accorded better treatment in the first game than they were in the second. The Bombers collected a total of 12 hits in the opener while the Royal-Aces came through with eight base knocks.

Earl MacKinnon started for Peakes but while Earl had plenty of stuff he could not find the plate. He worked three and a third innings, allowed only one hit but walked seven men. He left in favor of Paul Jay in the fourth with the bases loaded.

Peakes won the opening game one third inning on the hill for the Royal-Aces. He was touched for nine hits. MacInnis came on to relieve him in the fifth.

Peakes won the opening game with three runs in the fifth inning. They were leading 3-0 at the end of the second frame but were trailing 4-3 midway through the fourth. Peakes tied it up in the last of the fourth and went ahead to stay in the fifth.

Merlin Devine and Gillan led the Peakes batters in the first game with three hits each. R. Richard obtained three hits for the Royal-Aces.

Johnny Bradley, Peakes centre-fielder pulled off the best play of the afternoon with a long running catch off Melvin LeClair in the seventh frame. Pete Dunphy, also of Peakes, picked off Doucette in the eighth inning with the hidden ball trick.

The games were watched by upwards of 2,000 people.

Umpire Leo Doyle and base judges Ev. Toombs and Elmer Ward handled the games in a capable manner.

Following the second game the large Physical Fitness Department trophy was presented to the Tignish team by Art Ferry.

Stengel Signs 2-Year Contract With Yankees

NEW YORK, Oct. 13 (AP)—Casey Stengel today signed a new two-year contract to manage New York Yankees and, with a sly wink, hinted that his salary will hit \$100,000 a year.

This would make him the highest paid pilot in the history of baseball.

Neither the Yankees nor Stengel announced flatly how much money the wrinkled diamond genius would make in seeking to extend his string of four straight world championships, but Casey let the cat out of the bag at a press conference.

"If you guess \$75,000, you're low," the 61-year-old pilot said.

under heated questioning. "Will it be \$100,000, counting bonuses and any other arrangements?" a reporter asked.

"Well," said Casey, his face breaking into a wide grin. "It shouldn't miss."

Stengel disclosed that he made more than \$50,000 his first year as manager of the Yanks in 1949 and he had received an increase every year since.

"I've signed three two-year contracts, counting this one," Stengel said. "I can say that every year I made more than the contract called for."

George Weiss, the Yankees' general manager, said he wanted to spike what he said were reports that there had been sharp disagreement between Stengel and Yankees brass.

"It's been written that Stengel didn't like some of the deals I made," Weiss said icily. "I'd like to say right here that I have never made a deal without Stengel's full agreement."

Stengel said of all of his championships, the 1952 triumph gave him his greatest satisfaction.

"It was amazing the way those kids did it," he said. "In other years we had Joe DiMaggio and Tommy Henrich and some of those old pros. They were crippled but they could come through in a clutch for you."

"This year we didn't have the bench. Instead of taking five years to rebuild itself, this team came through the first year, winning on the road."
