Christmas Carols Sung In Kirk By Candlelight

As twilight shadows closed in on a perfect winter's day a great congregation of people gathered yesterday afternoon in the old Kirk of St. James to sing the Carols of Christmas, and reverently join in the homage offered in the Vespers of the Saviour's Nativity.

The Vespers opened with the organ prelude, Brahms' "A Lovely Rose is Blooming," which was followed by a choral prelude of carols sung from the gallery by a choir of little boys and girls.

At the Morning Service the Christmas Sermon, entitled "Found in the Stars," was preached by the Minister, and the music included the introit, "Break Forth, O Beauteous Heavenly Light" (Bach); the soprano and bass duet, "Cantique de Noel" (Adam) by Mr. and Mrs. Raoul Raymond; the Christmas Anthem "Christmas Day" (Guistav Holst) and the offertory carol, "This End is Night".

Expect Credit Curbs Will Be Eased Last Half 1957

OTTAWA (CP) — Some federal experts anticipate that most shortages of materials will disappear midway through 1957 and that federal credit curbs will be eased in the second half of the year.

On the surface it would appear that if this is the capital investment intention, the competition for goods in 1957 may even increase, requiring a continuation of credit curbs to prevent further price spirals.
