ATTENTION POTATO GROWERS The attention of all farmers is directed to an amendment of the Prince Edward Island Potato Production Act passed by the Legislature in 1962 whereby all persons planting one-quarter acre or more of potatoes must plant those of the "Certified" class or better.

Potato growers are advised to procure their requirements while stocks of seed potatoes are available. As many producers of good seed potatoes are now disposing of their crops on the tablestock market, it should not be difficult for all farmers who grow potatoes to arrange for their seed requirements for this year.

The failure to comply with this regulation will render the grower liable to a minimum fine of \$50.00.

STEWART MOTORS LIMITED "YOUR MERCURY DEALER" 224 Great George Street - Charlottetown

JAMES A. MacLEOD Inserted by the family. The death occurred suddenly in the Charlottetown Hospital on October 14th, 1965, of James Alexander MacLeod of 56 Upper Queen Street on the eve of his 94th year.

His leisure hours were spent at home with his family, where his presence is greatly missed. A diabetic for many years, he entered hospital during the summer and underwent surgery. Following his return home, he gradually resumed his duties and seemed to be recovering satisfactorily. However on the night of October 14th, he suffered a sudden heart seizure. He was rushed to the Charlottetown Hospital where everything possible was done for him by Dr. Allan MacMillan, who fortunately was on duty at the time.

Rev. Walter Reid, hospital chaplain administered the last rites of the Catholic Church and Jim passed away shortly thereafter.

Left to mourn in his wife, the former Catherine Murphy, two teenage daughters, Rosemary and Heather; two sisters, Mrs. Lincoln Nutbrown, Sherbrooke, Quebec, Mrs. Charles MacNeill Milton, and one brother, Alfred of Charlottetown.

His parents (Alexander MacLeod and former Bertha Doyle) and several brothers and sisters predeceased him. His funeral was held from the Church of the Most Holy Redeemer where Requiem High Mass was celebrated by Rev. Cameron MacDonald, C.S.R., who also conducted services at the grave. It was one of the largest funerals ever held from Holy Redeemer Church.

Eternal rest grant now, O Lord, This loved one called away. Sweet heavenly peace forevermore. Grant Thou this soul today!

The following Mass, Enrollments and Floral Tributes, together with 125 messages of sympathy were greatly appreciated by the family.

Electrical Inspection Division Dept. of Industry & Natural Resources Emergency Generators Users of electricity who are contemplating the purchase and installation of emergency generators and similar equipment are to be cautioned in determining whether or not the unit to be purchased is suitable for the particular use required.

Farm Equipment (electrically operated) There is being brought into the Province a considerable quantity of equipment that is not approved by the Canadian Standards Association e.g. potato graders and sprout removers, escalators, pumps.

Oil fired electrically operated kitchen range units Many of these units have been in use for some time and oil has been spilled over the conductors, motors etc. This has deteriorated the insulation and caused accidental grounding, creating a potential life and fire hazard.
