Winter's Blast Of Snow Fails To Harm Carnival

If unco-operative weather conditions have ever dampened the spirits of a winter carnival it hasn't been successful in the case of the St. Dunstan's University annual Winter Carnival. It has only made it necessary to rearrange a few activities.

The Cliney Brothers and Tommy Makem show, the feature attraction at this year's carnival, has been unavoidably postponed until Sunday night at 8:30 in the Provincial Vocational Institute gymnasium. It had been scheduled for 8:30 last night at the same location. The variety show, which was scheduled for Sunday night will be held on Sunday afternoon at two o'clock.

INTERNATIONAL HOCKEY
Yesterday, the international hockey game, played between the Chinese students and those from the United States plus a few other players "more skilled" than the Varsity players, was stated to have been one of the best ever staged.

DRIVING CASES ADJUDGED
There was a light docket in Queen's County Magistrate's court yesterday afternoon. Magistrate James B. Johnston presided. Alvin Lorne Keefe, city, charged with driving while impaired was remanded to Feb. 4 for judgement with bail to stand. Sterling William Hume, Murray Harbor, charged with care and control of a motor vehicle while impaired was remanded to Feb. 11 at 4:00 p.m. for trial.
