FOR SALE.

THE celebrated stallion "GOLDEN STAR." He is a beautiful roan color, stands 17 hands high, weighs 1,400 lbs., and only three years old. He has a fine lofty style, motion quick, and now, without training, trots fast. "Golden Star" took second prize at the Charlottetown Exhibition, in 1884. Sired by the famous sire, "Bargister," first dam, "Morgan."

For full particulars apply to the owner, WILLIAM MORRISSEY, Gallas Point, Lot 50. March 26, '86-wky 21 pd

IMPORTANT NOTICE.

THE stallion "BLACK PILOT" can be found at the owner's stable, North River, until the opening of navigation, when he will start for Kentville, N. S., where he intends to make the season of 1886.

Parties on the Island, desiring the service of the fastest trotting stallion in the Maritime Provinces, would do well to come early and raise valuable colts. As you are all aware, Black Pilot, being a green colt, entered the trotting circuit last autumn, starting in five different races, winning first money in four, and making for himself a record of 2:33 1/2 on a half-mile track. But this is no measure of his speed, as he has repeatedly shown trials in 2:26 and bids fair, with judicious training, to win laurels for himself that will never be forgotten by turfmen.
