£3 17s. 6d. THE CELEBRATED COMMON SENSE FAMILY SEWING MACHINE.

Improved and Perfected. EVERY MACHINE WARRANTED FOR FIVE YEARS.

Elegance of Finish it has no Rival, High Price or Low.

Simple, Durable, Compact, and Cheap.

The Celebrated Common Sense Family Sewing Machine is now presented to the public, with all the improvements that can well be imagined in a Sewing Machine. Great labor and pains have been bestowed to bring this Machine into the very highest circle in the scale of Sewing Machines. It is acknowledged by the best judges to stand entirely above and beyond any cheap Machine ever produced before.

It will sew anything that can be sewed on any high priced Machine in the land, just as nicely and just as rapidly. It will sew from Swiss Muslin up to Heavy Cloth, at the rate of twelve hundred stitches per minute.

This Machine has a new style of feeding apparatus, which makes the Machine self-guiding. The cloth, without the aid of either hand, will run nearly as true as when guided by Barum's self-sewer. This is an advantage not possessed by any other Machine in the world, high price or low. This is one reason why this Machine is so easily managed by children. A girl with one hand can use it more successfully than she could ordinary machines with two hands.

This Machine will Stitch, Hem, Fell, tuck, Quilt, Cord, Bind, Braid, and embroider in a most superior manner.

Printed Instructions, German or English, Sewing Driver, Hammer, 4th Case Needles, and Table Clamp, accompany each Machine without extra cost.

These Machines can be seen at Harvie's Book Store. HENRY A. HARVIE. Agent for P. E. Island. June, 25 1868.—3m
