- No lighting, no guesswork, simply set the thermostat control at the desired baking temperature, set clock at time required and the range does the rest; no risk of overheating or overcooking.
- Constant pilot. The Thermojet Burner remains on pilot at all times; no lighting is ever required.
- Larger than average oven, 19 x 19 1/4 x 17 1/2; fully porcelain lined and with double glass window in oven door.
- Large under oven storage drawer, may be used as warming oven or for storage of cooking utensils.
- Beautiful styling complete with deluxe backguard, containing full length lamp and electric clock.
