TOMMY'S DOLLAR

Tommy is saving up for a bike. Dollar by dollar, week by week, his bank account is growing... bringing the Big Day nearer.

But meanwhile, Tommy's dollars are serving a *second* useful purpose.

Bank credit is based on the dollars Canadians keep in 11 million deposit accounts in the chartered banks—and Tommy's account is one of them. Bank loans are constantly being made to meet the needs of business and personal borrowers in all parts of Canada.

So every time you make a deposit you are—like Tommy—building toward something worthwhile for yourself, and at the same time keeping your dollars at work for the benefit of all.
