

Two Points To You Matty!- You Got Our Attention

In our world today, where such priority is placed on "doing your own thing", we the students must look up

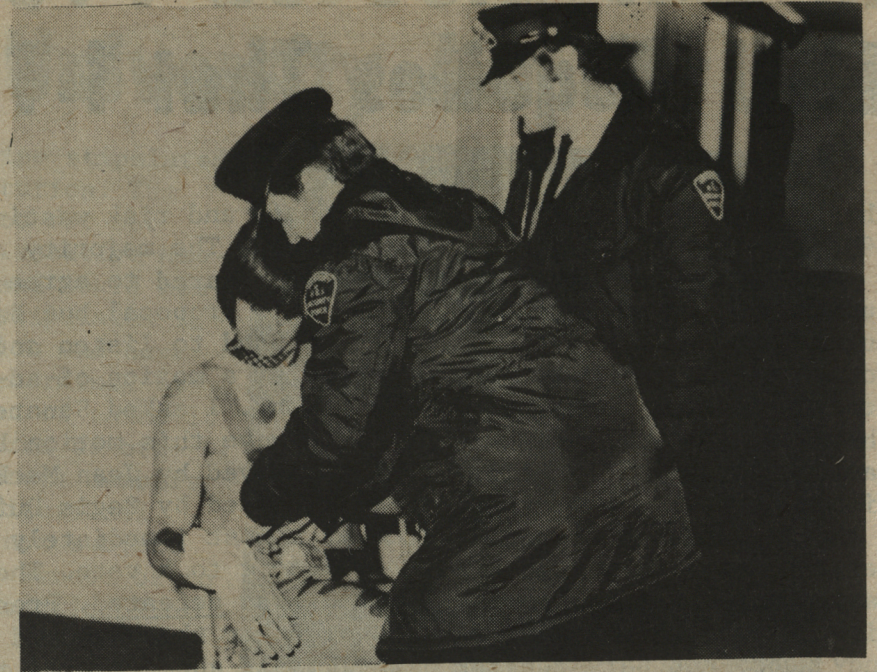

to and salute the efforts of Matthew P.(ervert) Cutts of Montreal, Quebec.

On Feb 20 at approximately 12:30 am most of the girls in Bernadine received a rare treat, while the remainder were grossed out. Out hero, Matty attired in a bright blue tie and bold black shoe polish, accompanied by numerous throne bearers, participated in the first International Intercollegiate Pervert Parade. Matty's smiles were met with mixed

reactions; from screams of ecstasy to disappointing conjectures such as "It's only this big."

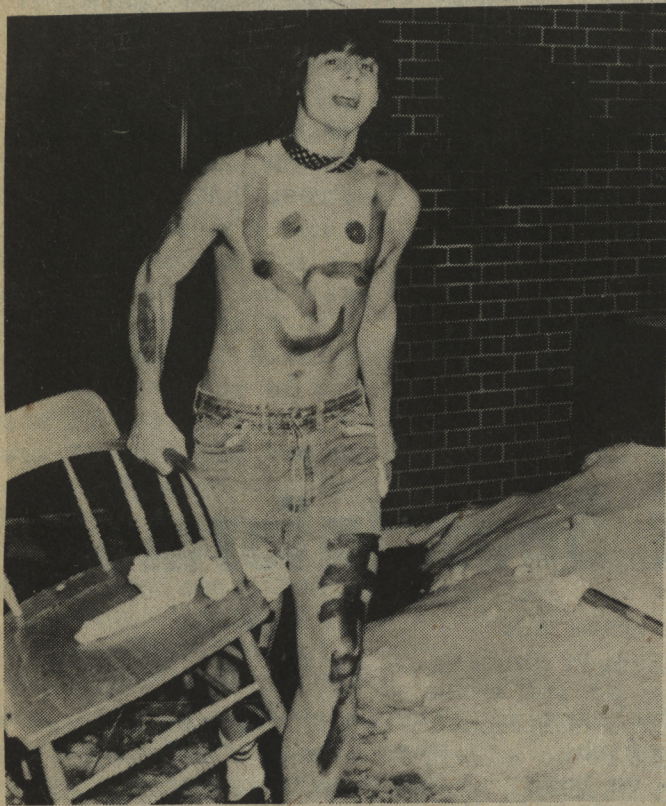

The excitement proved too much for the weary throne bearers, and in great haste they dissented or MVP on fourth floor. Yet, little time elapsed before Matty was again joined by well wishers, our Security Force, who had much difficulty in breaking through the lines of photographers. They stripped Matty from his throne and hit him with a \$100 fine for indecent exposure? This was later dismissed.

In concluding, we do not hesitate to say, "Matty, whether you are sitting on the varsity basketball

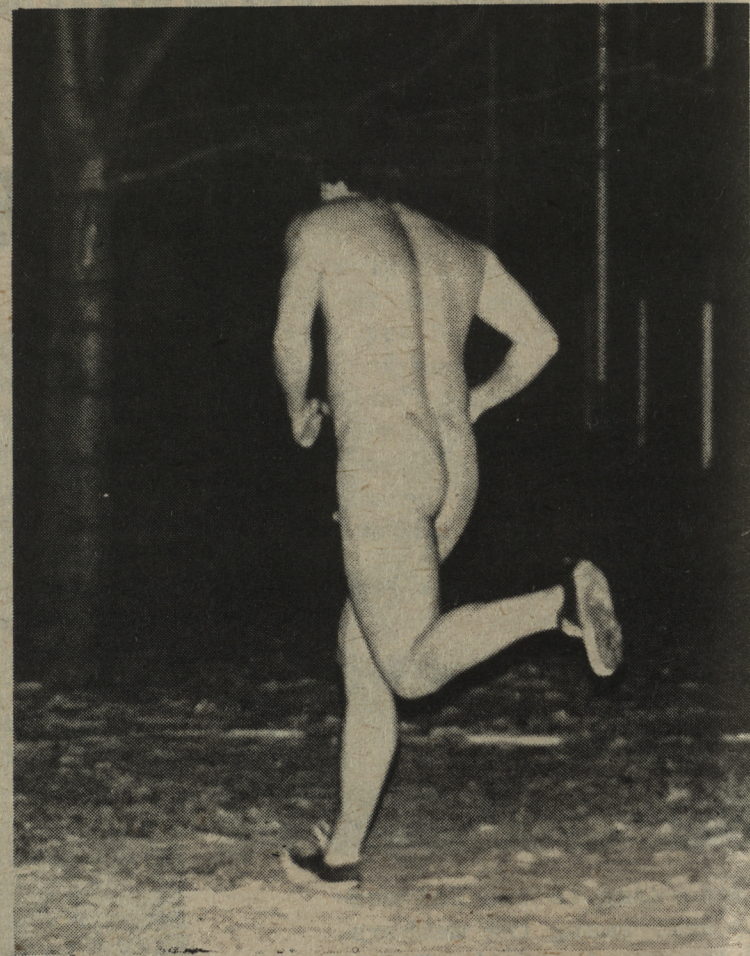

Panthers bench (fully clothed) or sitting on your throne in Bernadine (otherwise, you're one of a kind

sick . Mutt and Jeff MacDonald (pen names)

BACHELOR OF EDUCATION

the faculty of education invites university graduates and undergraduates who expect to receive their bachelor's degree by september to apply for admission to the bachelor of education degree program which leads to ontario teacher certification for elementary and secondary schools

the foresighted program meets current and emerging educational needs while emphasizing the human dimensions. the students have many course selections where, consistent with the importance of personal and professional development, evaluations are based on continuous assessments, not term examinations alone.

the students share in making the administrative and academic decisions in the faculty.

the faculty of education occupies a new academic-residential complex,

Streaking Is Old Hat

I thought the fad of streaking was long gone but it hit UPEI once again on Wednesday night. One poor unfortunate 'animal' was forcibly stripped and strapped to a chair by his fellow peers then carted to the halls of Bernadine. He tried desperately to escape but to no avail. The piercing screams lured a number of girls to the corridors. What's this they thought; never had they seen anything like it before. A rare specimen

indeed, this must be captured on film. The halls were lit with the flashcubes as if lightning had struck. As for the poor lad, well he never had so much attention and like a child sat back and enjoyed every minute of it.

It appears that others became jealous of the attention received to this young boy in Bernadine Hall. So a number of very young boys streaked across campus late Thursday

afternoon. Although their faces were covered with masks, it appears for some reason or another that they were extremely young, both in body and mind.

So my friends keep your eyes open maybe the camera happy girls from Bernadine will be next.

Is it possible they are all in the wrong institution?
