Pretty Summer Wedding Held At Fort Augustus

A pretty wedding was solemnized at St. Patrick's Church, Fort Augustus, on Saturday, July 11, at 8.30 a.m. when Catherine Elisabeth Doreen, daughter of Mr. and Mrs. Joseph Curley, Fort Augustus, became the bride of Chester Eugene Callaghan, son of the late Mr. and Mrs. Ambrose Callaghan, Auburn. Rev. T.P. Butler Parish Priest performed the double ring ceremony, assisted by Gerard Murnaghan and Lornie Hughes as altar boys.

The church was decorated for the occasion with baskets of summer flowers. Miss Elinor MacDonald was organist and Miss Donalda MacDonald rendered many beautiful hymns during the ceremony and the singing of the register.

The bride given in marriage by her father looked charming in a waltz-length portrait gown of white chantilly lace and nylon net over satin with flowing bouffant skirt. The fitted bodice featured a sabrina neckline and was trimmed with iridescent sequins and pearls. The sleeves were long and came to points over the hands. A coronet of pearls and sequins held her elbow length veil of tulle illusion. She wore cultured pearl earrings, and carried a white missal, gift of the groom.

Mrs. Alfred Doyle, cousin of the bride, as bridesmaid, wore a waltz-length gown of pink nylon over satin with matching headdress and mitts. She carried a nosegay of mixed carnations.

Miss Edna MacIsaac friend of the bride as Matron of Honour wore a waltz-length gown of blue nylon over satin with matching headdress and mitts. She carried a nosegay of mixed carnations.

Miss Rita Cummiskey, cousin of the bride, as flower girl wore a waltz-length of white satin and on her head she wore a halo of mixed carnations. She carried a basket of mums.

The mother of the bride chose for her daughter's wedding a dress of dusty rose crepe with white accessories and a corsage of white feathered carnations. Mrs. William McKenna sister of the groom, wore a two piece navy crepe dress with white accessories and a corsage of white feathered carnations.

Following the ceremony a reception was held at the Queen Hotel where the bride's table was centered with a three tier wedding cake topped with a miniature bride and groom. The toast to the bride was proposed by Rev. T.P. Butler and responded to by the groom.

Mr. Henry J. MacDonald, Dairy Superintendent was the master of ceremonies. The Hon. Eugene Cullen, Minister of Agriculture, gave a toast to the bride. Rev. Parnall Wood, cousin of the bride, also spoke

Mr. MacDonald also read a telegram of congratulations which was received from Mr. and Mrs. John R. Cummiskey, Uncle and Aunt of the bride, Dorchester, Mass., U.S.A.

For a honeymoon trip to the U.S.A. the bride wore a two-piece duster dress of blue and white nylon with white accessories. Her corsage was white feathered carnations.

Previous to her marriage the bride was tendered a miscellaneous shower at the home of the groom's sister, Mrs. William McKenna where many lovely and useful gifts were received.

Science Now Shrinks Piles Without Pain Or Discomfort

Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own home without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment* form called *Preparation H*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
