Holloway's Ointment and Pills.—These wonderful productions have now become so appreciated in every part of the world, that they form a complete household treasure; the worst cases of ulcers, wounds, and every variety of skin diseases, for which so many remedies have been tried without effect, readily succumb to their power; they act so miraculously upon the system, as to be considered a complete phenomenon in the healing art. For this reason they are advocated by many modern practitioners after everything else have proved unsuccessful. Those complaints especially, which affect the sedentary and studious, give way, as mist before the rising sun, to the influence of the Pills. External wounds are as readily healed under the Ointment.
