Anglicans To Study Suggested Revision Of Communion Office

Canadian Press Staff Writer
TORONTO (CP)—A revision of
the Office for Holy Communion is
to be presented for information
and study to the general synod of
the Church of England when it
meets in London, Ont., in Septem-
ber.

The work is part of the task
undertaken by a committee of the
general synod on the revision of
the Book of Common Prayer,
headed by Rt. Rev. W. T. Hallam,

The committee considers revision
of the communion service of
greatest importance and in its
report to the synod says:
"Your committee desires it to
be clearly understood that this
proposed revision is submitted for
the purpose only of information
and study and not of obtaining
authorization for permissive use."

Notable Changes
Most important changes precede
and follow the consecration of the

membrance of Him who died, and
rose again, and ever liveth to
make intercession for us, present-
ing unto thy divine majesty this
our thanksgiving and service,
through the merits and mediation
of thy beloved son, Jesus Christ
our Lord, by whom and with
whom, in the unity of the holy
spirit, all honor and glory be unto
thee, O Father Almighty, world
without end."

Carson's showing indicates that
he is about ready for the climb
up the Dodgers' chain.

There were a lot of other stars
on the diamond at both Summ-
erside and Charlottetown. We can't
speak for the Summerside stars
because we did not see them play
but we will make mention of a
pitcher Merlin MacKenzie who
gave a good effort for the In-
termediate Abbies. MacKenzie and
MacLean hooked up in quite a
duel for the first five innings and
actually it was a tough break
more than anything else that
caused Merlin to be charged with
the defeat.

Maurice Williams and Willis
Hennessey turned in sparkling
games for the Intermediate Wil-
liams threw a strike to the plate
from the outfield to catch Jackie
Burke in the fourth and in the
same inning he came up with a
triple. Jackie Burke shook out of
his hitting slump to start both
junior rallies in the sixth and
seventh innings and Charlie Ken-
nedy again came through with the
big hit to drive in the game win-
ning runs.

Then there was the hitting of
"Duck" MacLeod. Joe Coyle and
Brian Lewis. Actually there were
too many good players to go into
the matter in detail. We can say
however, that we expected one of
the best games of the season and
that is what we saw. Every player
turned in a good effort and to the
winners and the losers we offer
congratulations. Congratulations
should also be offered to the fans
for their good financial contribu-
tions. Last night Abegweit Presi-
dent George Francis stated that
taken in as at the best Sunday
game this season.

The first game in the Island finals
will probably be played at Summ-
erside next Wednesday. The
League Secretary Danny MacCorm-
ack is in Halifax at Army training
and will not return here until Mon-
day. Following his return an exe-
cutive meeting will be held at Sum-
merside and the dates set.

In the sixth the Curranites added
a second. Coke Grady singled to

sent home when Walker singled to
right. Their third and final tally
came in the eighth. Gerard Dal-

then delivered a triple to left cen-

the plate.

Interlocking Schedule Planned By Junior Leagues
TORONTO, July 30 — (CP)—
Eastern Canadian junior hockey
took a bold step today when the
Ontario Hockey Association Junior
A loop and the Quebec Junior Am-
ateur Hockey Association agreed to
play an interlocking schedule dur-
ing the 1952-53 season.

The idea, from Quebec repre-
sentatives, came into fruition at a
meeting here today.
The new home-and-home sched-
ule will see the Ontario teams
meeting each Quebec club twice,
eight more games each for the O.-
H.A. groups. The four Quebec
teams will play 18 additional games.
There will be no guarantee of
split gate. It is a straight exchange
on a year's trial basis with all
games counting in the standings
of each league.

Tentative plans call for the Ont-
ario clubs to play the two Mont-
real clubs, Quebec and Three Rivers
in a single eastern trip. The
Q.J.A.H.A. teams will meet Tor-
onto Mariboros and St. Mike's, Osh-
awa and Barrie on one trip and

Finland Fails To Reap Harvest From Olympics

By DON DOANE
HELSINKI, July 30—(AP)—
Hard-up little Finland is not reap-
ing the rich harvest of foreign
dollars she expected from the Olym-
pic Games.

"But we hope we are earning
an even greater profit in inter-
national good will," Armas E.
Martola, Finland's director of or-
ganization for the Olympic Games
said today.

"If we have proven ourselves
good hosts and handled the games
well, then we are happy. And if
this wins good will for Finland
abroad, then this kind of profit is
incalculable."

The Finns can rest easy on that
score. Newspaper men reporting
the games are virtually unani-
mous in praising the efficient way
in which Finland staged and ran
this massive sports show.

The Finns prepared for 50,000
foreign visitors and only about
20,000 to 30,000 came, Martola es-
timated.

"Finland still will realize an
economic profit from the games,"
Martola said.

Martola estimated that at least
half of all foreign visitors at the
games came from neighboring
Sweden. There were about 15,000
Swedes here, he said.

He estimated "about 2,000 or
less" came from the United States,
2,000 from Denmark, 2,000 from
France, 2,000 from Germany, and
1,500 from Britain.
