NEWLY INTRODUCED.

Sensation Caused in Barnaby River: N. B., by Dodd's Kidney Pills.

Barnaby River, N. B., May 14. — Quite a sensation has been caused here lately by the introduction of a new medicine—Dodd's Kidney Pills. Although there had been many deaths in this village and surrounding district from Bright's Disease and other kidney troubles, yet strange to say Dodd's Kidney Pills had never been tested. Our people had little faith in patent medicines. Now, however, Dodd's Kidney Pills are creating a sensation. A large number of people are using them and expressing surprise and delight at the result. "From the first week I began to improve," says Cornelius Croitie, of Barnaby River, who had been given up by the doctors. The fact seems to have surprised him, but it is always true where Dodd's Kidney Pills are used.

Galt has sent \$800 and about eight tons of clothing and merchandise to the Ottawa and Hull fire sufferers.
