France Outside of Paris.

To get a correct idea of the French nation one must abandon Paris and get out among the people of the provinces. Paris is a sinkhole of rottenness, but the people who dwell outside that modern Gomorrah are sound and upright and patriotic, living wholesome and useful lives. When you get out in the rural districts, a charming sight is presented of beautifully cultivated farms, each farm being as trim and neat as a flower garden. There is not a foot of waste land to be seen. The first thing that strikes a stranger is the profusion of fruit. Nowhere can be seen more luscious pears, peaches and grapes.—Washington Post.

How He Got Elsewhere.

"How did he escape?" inquired the detective.

"Well," replied the turnkey with the damaged eye, "he sort o' nicknamed himself out."

"What?"

"He tried his cell door open with a jimmy. Then he knocked me down with a billy."

"Yes?"

"And then he sallied out."—Chicago Tribune.

ASTHMA CURED PERMANENTLY.

Why Do You Suffer Night After Night, and Keep Dosing With Temporary Relief Remedies? Clarke's Kola Compound Will Relieve Your Suffering. It Cures Permanently.

Mr. S. Till's case was a most obstinate one, but this marvellous remedy worked the wonder. Was cured with six bottles. Here is his letter in his own words. Mr. S. Till, 142 Lorchester street, St. John, N.B., writes:—"I have been a great sufferer from asthma for nearly ten years. Many months, night after night, I have been so bad that sleep was impossible, and at times I thought I would choke. I used different asthma remedies and doctored with the best physicians in St. John, but my trouble became worse each year. About a year ago I purchased three bottles of Clarke's Kola Compound, then I took three more, and since completing the treatment with this remedy have not had a single attack. I take great pleasure in recommending Dr. Clarke's Kola Compound, which I know has no equal for asthma. Since being cured I have frequently recommended this remedy to others in our city, and they all speak very highly of it. Clarke's Kola Compound is the only permanent cure for asthma yet discovered. Over a thousand complete cures are recorded in Canada alone. All druggists sell it. Write for book telling all about Clarke's Kola Compound, to the Griffiths & Macpherson Co., Limited, 121 Church street, Toronto. 5

WIT AND WISDOM.

Jokelets That May Be Taken With a Tinge of Seriousness.

Bill—Did you ever see a river rise?
Jill—Sure. I've seen it leave its bed.

Yeast—Does the editor use a steel or a gold pen?
Crimsonbeak—I think his friend told me it was one of those trenchant pens.

"Say when, Miss Daisy," remarked the fresh youth as he was pouring a glass of water for the young lady.
"Oh, this is so sudden, Mr. Frost!" exclaimed the damsel, grabbing for the young man.

"This account is altogether too highly colored," said the editor, looking over the reporter's copy.

"Then why color it more?" inquired the young man as he saw the blue pencil go through it.

Sue Brette—Did the audience throw anything at the actors in the new play the other night?
Foote Lighte—No; why?

"Why, I notice the dramatic critics did the next day."

"Excuse my referring to so old a subject," said the funny man, "but do you know the quickest way to bring a man up with a sharp turn?"

"No," replied his friend.
"Put a bent pin under him."

"Don't be afraid, you poor fool," I said. "I am no spy. It is my interest to learn the truth of these matters, and I believe your story. Are you satisfied? I shall tell no one who informed me or indeed that I know of all this that you have told me. I am not aware of your name, and you need not reveal it; you are safe, so far as I am concerned, and

you were justified in reporting the facts to me, though somewhat rash."

I gave the fellow 10 rubles, which greatly comforted him, and he departed with many blessings upon my head and entreaties that I should protect him in case of emergency.

Here was a real clew indeed unless, of course, the little rascal had invented the whole story, which, though improbable under the circumstances, was quite possible, he being a Russian peasant and as such a champion perverter of the truth.
