on QUEEN STREET, two doors west of T. Des-Brisay's; and solicits—while gratefully acknowledging past favors—a return of that public patronage which was formerly so generously and extensively conferred upon him.

Having also selected Mr JOHN CHRISTIAN, whose name is proverbial for superior workmanship, as his Parnter, he guarantees the Firm of "McLEOD & CHRISTIAN" to give every satisfaction.

CHILDREN TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers her

Soothing Syrup,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay **all pain** and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and **can say, in confidence and truth** of it, what we have never been able to say of any other medicine—**never has it failed, in a single instance, to effect a cure,** when timely used. Never did we know an instance of dissatisfaction by any one who used it; on the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter **"what we do know,"** after thirty years' experience, **and pledge our reputation for the fulfilment of what we here declare.** In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most **experienced** and **skilful nurses** in New England, and has been used with **never-failing success** in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the **best and surest remedy in the world,** in all cases of **Dysentery and Diarrhœa in Children,** whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—**do not let your prejudices, nor the prejudices of others,** stand between your suffering child and the relief that will be **sure—yes, absolutely sure**—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the facsimile of **CURTIS & PERKINS,** New York, is on the outside wrapper.

☞ Sold by Druggists throughout the world.

The Most Reliable Friend!

Holloway's Ointment.

Its Searching & Healing Properties are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of itself more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs, bad breasts, sores, wounds, and ulcers, its effect is marvellous. For ring-worm, scald-head, scrofula, and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses, in its passage, every part to which it is applied.

Glandular Swellings, Mumps, Bronchitis, Quinsey, Sore Throats and Diptheria.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing this detergent Ointment, twice a day, upon the neck, chest and back. Its acts upon the very mainsprings of life; for through the glands pass all new matter required for the body's reparation and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago, Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsupportable; yet, if Holloway's Ointment be briskly and perseveringly rubbed upon the parts affected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment and facilitate and confirm the cure.

Bad Legs, Bad Breasts, and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon, in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed around the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrofulous Sores.

In all irritations of the skin, sores, ulcers, burns or scrofulous enlargements of any kind, Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Diseases attendant on Childhood.

Diseases incident to early life fall more under the management of the mother than the medical man. Holloway's Ointment should therefore be regarded by her as a "Household Treasure," as it never fails in bringing out the rash in measles and scarlatina; and for the removal of all skin diseases its effect is miraculous. In cases of whooping cough and croup, this invaluable Ointment should be rubbed twice a day upon the throat and chest, and the youngest invalid will derive therefrom the most soothing relief. Two or three of Holloways's famous Pills, reduced to a powder, will augment the curative powers of the Unguent.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)	Rheumatism
Bad Breasts	Cancers	Scald Heads
Burns	Contracted and Stiff Joints	Sore Nipples
Bunions	Elephantiasis	Sore Throats
Bite of Moschetoes and Sand Flies	Fistulas	Skin Diseases
Coco-bay	Gout	Scurvy
Chiego-foot	Glandular Swellings	Sore Heads
Chilblains	Lumbago	Tumours
Chapped Hands	Piles	Ulcers
		Wounds
		Yaws

VACCINATION.

Charlottetown and Royalty.

THE "Act to promote Vaccination" requires that all persons residing in Charlottetown and Royalty, above the age of three months, shall be Vaccinated by a duly qualified Medical Practitioner, (unless they have had the Small Pox); and that there may be no warrantable excuse for not obeying the Law, the Act provides that the Superintendent of Vaccination shall Vaccinate those who may apply to him for that purpose, without any charge.

I therefore hereby give notice, to all whom it may concern, that I will attend at the Dispensary, on the afternoons of Tuesday and Saturday, at 3 o'clock, until further notice, to Vaccinate all persons not successfully Vaccinated, who shall then appear there.

NEW TRIUMPHS

OF

ROGERS' MEDICINES.

Run your eye over them and tell your affected neighbour about it.

PUGWASH, June 8, 1863.

Messrs. Rogers & Co.,

Dear Sirs—I beg to inform you that your medicine has effected a complete cure of the Tumour or Cancer on my lip. It had existed about one year, and continued to grow worse continually, until I got your salve; which cured it in about six weeks.

I also was troubled with an ulcer on my ear, which was occasioned by having my ear frozen about twenty years ago, and never could get any medicine to heal it. The doctors told me it never could be healed; but your medicine cured the cancer so effectually, that I was induced to try it on my ear, and it cured it in a very short time, and has since continued well.

WILLIAM FRASER.

PUGWASH, May 29, 1863.

Messrs. Rogers & Co.:

Gentlemen—I think it a duty I owe to you and the public, to state the following facts, as well for the benefit of humanity as in justice to yourself—although it should have been done long before this; but better late than never.

About four or five years ago I had a cancer in my breast, which had been coming on for a long time before; but at last it became very painful, with sharp and severe pains darting through it at certain times. I being afraid to submit to the operation, and hearing that you had cured many cancers, I, as you know, applied to you, and submitted to your treatment, and used your medicine, and in a few months was thoroughly cured, and have been in perfect health ever since. I would wish this to be made public, for the benefit of others

Yours with much gratitude,
ELIZABETH RYAN.

We know of no worse case—judging from the description given by letter—than that of a son of W. B. Weldon, Esq., of Kouchibouguac, N. B. He was reduced to a mere skeleton. He suffered most intense pain for many months. His leg was ulcerated, and the bone diseased, a large ulcer on his chin and face. Medicine and skill utterly failed, until all hope of saving his life was gone. Mr. Weldon's was a sorrowful house, no doubt, until our wonderful medicine dispelled the gloom. The lad is now nearly well, smart, cheerful, and happy. The parents, too, look more cheerful, and have lighter hearts, we judge, by the cheering tone of their letters. It is refreshing to us to be thus the instruments of good to afflicted humanity. What care we for the slanders of the unprincipled! Our motto is onward. Our business is to save human life, and cause the suffering and sorrowing to rejoice; and to make money, you will add Yes, certainly, we respond; and do you not think we deserve some of the large sum annually sent to brother Jonathan for useless articles.

Mr. Thomas Faulkner, of East River, Pictou, N. S. is cured of a sore leg of nineteen years standing. The best physicians in the Province, after exhausting their skill, recommended amputation as the only remedy. His health was very much reduced, but is now completely restored.

Mrs. Hannah Balmain, of Wickham, N. B, after using our medicine for over one year, for an ULCERATED CANCER of the breast, writes us under date of Oct. 15, 1865 as follows:—

"My breast is doing well: there is but one small lump on it now. It only discharges from one ulcer: the rest are all healed up. I have not enjoyed such good health for several years, as I do now. I have only received three bottles of your Syrup since I last wrote. Being a poor woman, it is out of my reach, or I would be entirely well before now."

It would occupy too much space to give a full history of this case. It was a bad one, however. She was preserved, and the result will be a final cure, we judge. Let no man say in future that ulcerated cancer cannot be cured.

DR. LA'MERT

ON

SELF-PRESERVATION.

PRICE WITH ENGRAVINGS AND CASES, 1s. 6d, BY POST, 3s. CURRENCY.

SELF-PRESERVATION: A popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence, by DR. LA'MERT, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh; Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigour upon which the hopes of posterity depend. It also points out how all the attributes of manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The author is the only legally qualified practitioner whose name stands on the 'Medical Register,' (the sole test of medical qualification) who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter—37 Bedford Square, London, England.

Patients residing in the Colonies can be successfully treated by correspondence, and remedies can be forwarded in secresy and safety to any address.

"SELF-PRESERVATION" may be had of the undermentioned Agents, price 1s 6d; free by post, 3s currency:—Halifax, N. S, Mr. Johnson, Chemist. Yarmouth, N.S., Messrs. Young & Baker, Booksellers.
