A LAXATIVE that really does you good!

You owe it to yourself to try Kellogg's All-Bran and milk as an aid to health and regularity. All-Bran corrects the cause of irregularity due to insufficient bulk. (Chemical or drug-type laxatives are intended only for overnight relief of a temporary stoppage.) All-Bran and milk is a wholesome, good-tasting dish—a safe, natural way to improve "intestinal tone"—so essential to comfortable elimination. All-Bran, made from the outer layers of whole wheat, contains natural food bulk. It is also an excellent source of niacin (necessary for normal body functioning). There is only one All-Bran, Kellogg's. Famous for nearly 40 years as the original natural laxative cereal. It is milled for maximum effectiveness. We'll prove to you that All-Bran with milk will give gentle relief from constipation within 10 days and double your money back. Kellogg's, London, Ontario.
