# Dodgers' Scout Is Speaker At Summerside

Bill O'Connor, scout of the Brooklyn Dodgers, was guest speaker at a banquet held last night at Coyle's restaurant in honor of the Curran & Briggs intermediate and junior baseball teams of 1950, both Maritime champions. Mr. O'Connor spoke chiefly to the young players, telling them how important it was to be champs off the field as well as on, and advised them so to act that the "a" in champ would never in their case be changed to "u". The speaker was introduced by Brig. W. W. Reid.

Jackets were presented to the intermediates by the president of the club, J. K. Curran, and the junior aggregation received jackets from the Physical Fitness Department with its leader, Brig. Reid making the presentation. The juniors also received trophies from the Town. Group pictures were given to the members of both teams.

D. O. Stewart moved a toast to the juniors, J. K. Curran replying. Councillor Herb Schurman moved a toast to the intermediate club which was responded to by their coach, Charlie Hogan.

The thanks of the meeting was tendered to Mr. O'Connor, Greg Mulholland and Councillor J. Lloyd Gorrill expressing the appreciation of the gathering.

Mr. D. O. Stewart moved a vote of thanks to Brig. Reid, Art Perry and James Hogan, of the Physical Fitness staff and it was seconded by Mr. Davis Lidstone.

Mr. O'Connor held two baseball classes while in Summerside. The classes were held in the new Legion hall, at 3.30 p. m. For the boys and at 8.30 p. m. for interested baseball fans of Prince County. Three films were shown, the first on the Little League in the United States, the second about the 1950 World Series and the third dealing with umpiring. Between pictures Mr. O'Connor answered questions pertaining to the game.

# Sees Financial Group Linked With Underworld

TORONTO, April 18 —(CP) — Beland Honderich, financial editor of the Toronto Star, says today in a financial page story that "a sinister financial organization with possible underworld connections and influential political friends is reputed to be at the root of Toronto Bay Street fraudulent stock promotions."

Honderich adds:

"According to rumors current in the financial community, it is this group, operating through respectable 'fronts' that is responsible for the stockateering practices that have been so widely criticized in the United States and Canada in recent weeks.

"Through the promotion and sale of questionable mining and oil securities, the organization reportedly has developed a lucrative racket running into millions of dollars a year . . .

"Head of the organization is said to be an American now resident in Toronto . . .

"While the operations of the group and its strong-arm men are well-known on Bay Street, brokers hesitate to discuss its activities because of threats and, in at least one instance, actual violence . . . Several Bay Street brokers with knowledge of the operation have been threatened with violence . . .

"From time to time the Broker-Dealers' Association of Ontario and the Ontario Securities Commission have cracked down on firms suspected of 'fronting' for the group. The Broker-Dealers Association . . . now has devised a plan which it believes will exclude 'fronts' from the business."

# Fredericton and Vicinity

Mrs. Hugh F. MacKay has returned to her home in Pleasant Valley after an enjoyable visit in Vernon, the guest of her son and daughter-in-law, Rev. and Mrs. John F. MacKay.

The Women's Missionary Society of New Glasgow Christian Church presented in story and song a lovely service, "The Living Christ", in Fredericton Church on Sunday evening, April 8. Several special numbers were rendered by the New Glasgow choir. Rev. Paul Richardson presided during the service.

Relatives learned with regret of the passing of Mr. John Herbert Weeks, retired farmer and dairyman, at his home in Gresham, Oregon, U.S.A., on Tuesday, March 20. Mr. Weeks suffered a heart attack and passed away very suddenly. Born at Fredericton in 1873, he was the youngest and last surviving member of the family of the late Stephen and Mary Weeks, one of the old families of this district. As a young man he went west, and lived in Minnesota for two years, then in Bridal Veil for twenty years where he was a millwright. In 1913 he moved to Gresham where he was a successful farmer and dairyman. He was a member of the I.O.O.F. and was affiliated with the Methodist Church. Funeral services were held on Friday, March 23, at the Carroll Funeral Home. Rev. Mark Chamberlain officiated. Special singers were William Elliott and Florence Dollowitch. The large funeral procession and the profusion of floral tributes testified to the esteem and affection in which he was held. In his immediate family he is survived by his wife, a son Jack of Carlton and four grandchildren. The following sisters and brothers predeceased him: Lydia, Mrs. Cleft Mugford, Mansfield, Mass.; Alice, Mrs. John Craswell, and Eliza, Mrs. Hammond Bertram, both of Hazel Grove; Ben, Fred, and Frank, all of Fredericton. A large number of nieces and nephews reside in Fredericton and surrounding districts.

# Casualties In Korea May Be Heavy

FORT LEWIS, Wash., April 18 —(CP)—Brig. John Rockingham said today Canadian casualties in Korea likely will be higher than they were in Italy and Normandy.

He told a press conference on departure from nearby Seattle for the eve of the 6,000-men force Korea that if a Commonwealth division is formed in Korea, Canada might have to send additional troops to that war theatre.

The stocky, tanned Brigadier said he hoped a Commonwealth division would be formed — "it would solve our administration problems."

A full division would require more troops and Canada along with other Commonwealth countries would have to supply them.

The brigade will sail directly to Korea in three ships shortly. Brig. Rockingham said the Princess Patricia's Canadian Light Infantry, already in combat, won't be pulled out of the line when the brigade arrives.

# Livestock Lost In O'Leary Fire

A fire which broke out at six o'clock Wednesday morning did little damage to a barn belonging to Avard Jelly, O'Leary, but a horse and a pig, as well as a number of chickens were suffocated. The fire was thought to have started from a lantern and some pressed hay caught fire. The O'Leary fireman were soon on the scene and prevented the blaze from spreading to the house and adjacent buildings.
