Souris Hospital Auxiliary February Meeting

The regular meeting of the Souris Hospital Ladies Auxiliary was held Thursday, February 8th, with eight members present.

The meeting opened with the reading of the minutes of the previous meeting by the secretary, approved as read.

The secretary read the report of the Maritime Hospital Aids annual meeting in St. Andrews, N.B. It was decided not to purchase the second-hand Electrolux, because of its unsatisfactory condition.

It was moved by Mrs. Harold Matthews and seconded by Mrs. R. C. MacLean to purchase a new machine, either Electrolux or Hoover, as the buying committee decided.

It was decided to hold a bingo in the Legion Hall in the near future if the hall is available.

Members took binders and baby blankets to sew. No further business, the meeting adjourned.

New Town Council At Montague Holds Monthly Meeting

Only routine business was transacted last night at the first meeting of the new Town Council with His Worship, Mayor B. H. Yeo presiding.

Mr. Harold MacLean, who for the past few months, has been employed in Toronto, Ontario, has arrived home on Saturday. Harold will be a welcome addition to the Georgetown Eagles Hockey team, on which he was a star performer in past seasons.

Something of a record, at least one not surpassed during the last eighteen or twenty years, was established when the Georgetown-Lower Montague Ferry Boat, "Montague", made a crossing of the Harbour on February 7.

The Town Clerk then read the minutes of the last meeting which were approved as read. Following the reading of the accounts, it was moved that payment be made, other than those which are to be held over for further discussion.

The Clerk also read the correspondence, and several matters were tabled for further discussion.

With respect to new appointments, it was moved that Mr. R. K. Clements be appointed as magistrate for the Town of Montague for a two-year period.

On motion it was moved that Mr. B. N. Hooley be reappointed as Town Clerk.

Major Doug MacGowan was on motion appointed as Deputy Mayor.

With respect to the duties of the town policeman, it was moved that he be given a list containing the duties for which he will be responsible.

The Town Clerk was instructed to notify all delinquent payers who are in arrears re payment for the sewer line to which they have connected, and which is owned by the Town.

The Clerk was also instructed to notify all those who are in arrears re their Town taxes by a notice in the press to make payment.

After considerable discussion regarding the Fire Department, it was moved that Mr. Doug Coffin be appointed as assistant fire chief to Fire Chief, Murray Johnston.

It was also moved that in view of the fact that the Fire Chief was unable to hear the fire alarm from his home, and that there was no other way in which he could be quickly informed of the presence of a fire, the Town would pay part of the maintenance of a telephone in his residence for the purpose cited above.

The following committees were then appointed: Fire-Claude Nicholson, Marshall Reynolds, Lester MacLeod, Finance-S. S. Hessian, Douglas MacGowan, Harry Jamieson, Street-Lester MacLeod, Douglas MacGowan, S. S. Hessian, Police-Douglas MacGowan, Harry Jamieson, S. S. Hessian.

School Hockey At Georgetown

The boys and girls hockey teams of Prince Street School in Charlottetown made the trip to Georgetown on Saturday evening, where they engaged the Georgetown High School boys and girls teams in a double-header hockey fixture.

The Georgetown Girls School Team, playing the smart brand of hockey that last season carried them to the Provincial Play-offs, hung a convincing 6-0 defeat on the visitors. In the Boys' game, the visitors had too much power for the local School Boys, who went down to an 8-2 defeat, after battling hard all the way.

Georgetown and Vicinity

Captain J. B. Scully, Canadian Army Personnel Officer at Atlantic Command Headquarters, in Halifax, N. S., was a recent visitor to his home in Georgetown.

Miss Gladys Fouchere, employee of the Island Telephone Company in Charlottetown, spent the week-end at her home in Georgetown.

Miss Margaret David, who is employed in the City, was the week-end guest of her parents, Mr. and Mrs. Clarence David.

Mr. Harold MacLean, who for the past few months, has been employed in Toronto, Ontario, has arrived home on Saturday. Harold will be a welcome addition to the Georgetown Eagles Hockey team, on which he was a star performer in past seasons.

Miss Anna Mair, Superintendent of the Prince Edward Island Hospital in Charlottetown, was the week-end guest of her brother and sister-in-law, Mr. and Mrs. George Mair.

Something of a record, at least one not surpassed during the last eighteen or twenty years, was established when the Georgetown-Lower Montague Ferry Boat, "Montague", made a crossing of the Harbour on February 7.

The ferry is now tied up at an extreme high tide, similar to some we have experienced this winter, coupled with heavy easterly or southerly winds, could so materially effect harbour ice conditions that the boat might resume crossings.
