

**Local and Other Items.**

It is expected that the Local Legislature will rise on Monday.

CODFISHING has commenced at Cascumpec—with fair returns and good prospects.

ONLY TRY IT.—To obtain refreshing sleep put a receipt for a Printer's bill under your pillow.—*Journal*.

THE first cargo of lobsters for England was shipped from Halifax on Tuesday. It consisted of 8449 cases, valued at \$46,000.

ON and after Monday, the EXAMINER will be issued at 4 p. m. Advertisers will please send in their favors as early in the day as possible.—3i

A DEMAND for Canadian cattle, that promises to be remunerative, is springing up in Belgium, and Canadian carriage horses have been sold there lately to advantage.

THE brig *Nyanza*, Capt. McDougall, sailed from Cascumpec this morning. She is loaded with 20,000 bushels of oats and 500 pieces of deal—shipped by Michael Foley.

WE hear there is a society being formed in this city under the name of the "Working-men's Mutual Benefit Association." Meetings are to be held twice a week for organization.

MR. JOHN LANE has been appointed Harbor Master for that portion of Murray Harbor extending from the head of Murray River to Mahon's Wharf, on the south, and the west bank of Mink River, on the north.

SUDDEN DEATH.—The Rev. John Shaw—an aged and very well known Baptist minister—residing at Three Rivers, was in his usual health yesterday forenoon; but shortly after taking his dinner, fell to the floor and immediately expired.

LADIES' SUMMER DRESSES.—The subscriber will sell, by Auction, at his Mart, Market House, at 12 o'clock, on Friday, the 6th of June, 12 Ladies' Summer Dresses, made of various kinds of materials, and in the latest fashion. E. NEEDHAM, Auct'r.—2in

THE *Patriot*, of course, says that the budget speech of Mr. Sullivan was a very weak one. Let us see whether or not the *Patriot* will publish it as it comes from the reporter, and thus give its readers an opportunity of judging for themselves.

THE members of St. Stephen's Juvenile Temperance Society held a picnic at Glen Stewart to-day. They formed a procession of about two hundred and marched to the Southport Ferry this morning and returned this evening, after a pleasant day.

AN Island girl has been distinguishing herself as a pedestrienne. At a walking match held recently in Boston, Miss Margaret Dinah Martin, daughter of John Martin, Dundee, Lot 50, competed and beat all her competitors, carrying off the first prize of \$150.

JOHN HUNTER DUVAR, Esq., has been appointed Inspector of Fisheries for the Island. Mr. Duvar has, we learn, given the Department substantial proofs of his fitness for the position. We believe he will act, as he should act, with a single eye to the protection and improvement of our valuable fisheries.

WE are pleased to learn that our lobster factories are doing good work this season. Mr. N. McFadyen, of Murray Harbor, has already 90,000 cans ready for shipment. The recent storm destroyed many of his traps, but they were soon replaced. Between his two factories he can now put up 7,000 cans a day.—*Patriot*.

CRICKET.—The match for Saturday next, in Victoria Park, will be played between an eleven selected on the ground, by one of the first men of the team, against the next eighteen. Every member of the Club is requested to be in attendance, as all will have a chance of playing. Stumps pitched at half-past two o'clock, p. m. JOHN H. YEO, Sec'y.

WE are glad to hear that the "Lorne Hotel," on the Bay of Tracadie, will, in a few weeks, be ready for the reception of summer visitors. The Company owning the hotel is incorporated, and Mr. Cyrus Tay has arrived from Boston to manage the hotel in the interests of the stockholders. This hotel promises to be one of the most fashionable summer resorts. American families have, we understand, already bespoke rooms for the summer and autumn.—*Herald*.

**Liver is King.**

The liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons afflicted with dyspepsia or liver complaint, and all the numerous symptoms that result from an unhealthy condition of the liver and stomach. Sample bottles to try, 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want.
