

# Queen's County Events See 11 Marks Shattered

By CHRIS ANNETT  
Mr. Weatherman played the perfect host yesterday afternoon as the annual Queens County Interscholastic Track and Field Championships got under way and the athletes responded by shattering five provincial records and equalling another six under perfect conditions.

Stylish half miler John Carr gave perhaps the most convincing performance as he ran away from the pack early in the open 800 and then paced himself to a record 2:12 half mile mark. He did not appear tired at the end of the race and had he had more competition it is probably that the mark would be a lot lower today.

Most of the records were shattered in the running events and this was in part due to the fine job which the department of Physical Education had done on the track. Rosemary Duffy came back from a poor start to overcome a five yard lead by Jane Johnson in the 75 yard dash to win the event after she had previously established a new provincial mark of 9.1 in the heats and then went on to equal another mark in the 100 as she sped down the course in 12.5 in a heat.

## SPORTS FRONT

## Track Stars Are Ready

By CHRIS ANNETT  
Today is the day for the top track and field stars in the County but fans at the Memorial Field track yesterday got a big indication of what was to come as the first day of events in the Queens County Interscholastic Track and Field meet was held. Records were either shattered or knotted as the Elementary class performers took to the field and this shows plenty of promise for the long track season just beginning.

## BIG ONE TODAY

One young gentleman who is going to get a lot of attention at this afternoon's competition is starry Billy MacKinnon who has already dusted off a 10 second flat 100 yard dash in competition this year. MacKinnon will be looking to shatter the 34 year old Island 100 record of 10.4 in the 100 and this observer is willing to bet that he will do it. Heather MacLean, another of the outstanding tracksters on the Isle has been recovering from a 12 stitch gash she suffered at the Mount Allison Track meet but it is expected that she will be out trying to better her own record in the high jump as well as the hurdles. Andy Arsenault is reported to be training hard and he will more than likely show the form which carried him to a thrilling second place finish in the Canadian Junior half mile championships last season. Canadian Junior half mile championships last season. Some of the best performers go through their early season paces and no doubt there will be more than a few records that fall. Island track stars will be working extra hard this trip to the other side of the continent, Richmond, B.C., to season no doubt for the cream of the crop stand to get a the Canadian Age class championships. It speaks well for the Island that two members of the Island Track club, Andy Arsenault and Adele Marshbank were selected to attend the Canadian Training camp out West. N.B. and N.S. only managed to send two candidates combined, both of which are from N.S.

# CMHA Elects Officers; Healthy Financial Scene

By AL McNEIL  
MONTREAL (CP)—The Canadian Amateur Hockey Association elected a slate of officers for two years Friday and the new executive was presented with a healthy financial statement as its first order of business.  
Fred Page of Vancouver was elected president, succeeding Lionel Fleury of Quebec City. Lloyd Pollock of Windsor, Ont., succeeds Page as first vice-president, and Earl Dawson of Rivers, Man., steps into Pollock's former job as second vice-president.  
Dawson is a former president of the Manitoba Amateur Hockey Association and chairman of the CAHA's rules committee.  
Gordon Juckes remains as secretary-manager and will continue to operate from Melville, Sask.

## GATE RECEIPTS IMPROVE

Juckes presented the final plenary session of the association's 50th annual meeting with the preliminary financial figures for the Allan and Memorial Cup playoffs held this spring. He said that revenue to the CAHA from the two series was more than twice as much as the previous year.

Only one loss was incurred in all playoff competition and that was a debit of \$183.99 in the four-game playoff between Selkirk, Man., Fishermen and Fort William, Ont., Beavers in the third series played for the senior cup.

In eight series, Allan Cup teams grossed a total of \$162,300.81 at the box office, an increase from \$91,000 one year earlier.

The junior clubs competing in Memorial Cup play collected \$271,025.63 at the gate this spring. They managed to pull in only \$183,900 in 1965.

The CAHA's 15-per-cent take for both Allan and Memorial Cup playdowns was approximately \$64,000, with \$46,000 of this amount coming from the juniors.

DIVIDE \$96,000 SURPLUS  
After all expenses were deducted and the CAHA percent-

age removed, a surplus of more than \$96,000 remained to be distributed between 17 junior and senior clubs participating in cup play. This was an increase of \$31,000 over last year's operations.

Edmonton Oil Kings, who beat Oshawa General in six games to take the Memorial Cup.

Top money in the senior leagues went to this year's Allan Cup champion, Drumheller Miners. The Alberta club reaped \$10,261 for appearances in four series, just slightly more than their opponents in the final round, Sherbrooke Beavers of the Quebec senior loop. The Beavers earned \$10,066 in three series, almost double the amount. Morrisburg Combines picked up in their losing efforts against Moncton Hawks and the Quebec team.
