Winners!

As some of you may know, the UPEI Catholic Students Society recently had a lottery to raise money for our upcoming trip to the National Catholic Students' Conference in Calgary this August. We'd like to congratulate our winners - Tracy Gallant of Bernadine Hall who won our first prize of a portable CD player and Jacquelyn Redmond of Vernon river who won our second prize of a \$50 clothing gift certificate. We'd also like to take this opportunity to thank everyone who bought tickets to support our cause. If you are interested in the UPEI CSS and would like to know more about us, come out to one of our sacred concerts. A variety of readings, music and drama will be presented. We have concert at 7 pm on March 26 at St. Mary's Parish in Montague and on April 9 (7pm) at Assumption Church in Southport. If you would like more information about our concerts or about the Catholic Students' Society, just contact one of the society's members or come to one of our meetings every Monday night in the UPEI Chaplaincy Centre.
